---	--

Authority to act as nominated contact

A nominated contact will also be deemed to have ongoing authority to undertake **all** statutory requirements relating to this title.

Please note:

- 1) It is the responsibility of the title holder to advise the department, in writing, of any changes to your contact. (section 98)
- 2) This authority relates to statutory requirements only – i.e. payment of rent and administration fees, nomination of blocks. If you wish to also have authority for the lodgement of dealings, amalgamations, withdrawal or surrenders you **must** attach a letter of authority that clearly identifies all matters that you will have responsibility for.
- 3) Any changes to the authorisation must be made in writing, signed by the title holder and lodged with the department.

Privacy statement

The Department of Mining and Energy (the department) is seeking information from you for the purposes of assessing your application under s79 of the Mineral Titles Act 2010 (the Act). This information will be kept confidential except as required by law.

The department is required to keep a register of mineral titles under s121 of the Act. The information contained in this register includes the details of all applications for mineral titles, including the name of the grantee, the term of the mineral title and a description of the land the subject of the mineral title. Any person may obtain copies of this information under s121 and s128 of the Act, on payment of the prescribed fee.

Section 121 of the Act also provides for the Minister to publish information from this register on the department's website, if it is considered appropriate to do so.
