Privacy statement

The Department of Mining and Energy (the department) is seeking information from you for the purposes of assessing your application under s41 of the *Mineral Titles Act 2010* (the Act). This information will be kept confidential except as required by law.

Section 71 of the Act provides that this application must be advertised although reference is made to s71(5) where the application is for a mineral authority. The applicant's name, the type of mineral title applied for, the period sought and a description or map of the proposed title area will be released to clearly identify the substance of the application.

The department is required to keep a register of mineral titles under s121 of the Act. The information contained in this register includes the details of all applications for mineral titles, including the name and address of the grantee, the term of the mineral title and a description of the land the subject of the mineral title. Any person may obtain copies of this information under s121 and s128 of the Act, on payment of the prescribed fee.

Section 121 of the Act also provides for the Minister to publish information from this register on the Agency's website, if it is considered appropriate to do so.
