Field of Lights, Uluru

The Territory is a living, growing exhibition 65,000 years in the making. It's a 1.3 million square kilometre canvas where art comes to life. Despite being home to the world's oldest continual culture on earth, the art created here every day is surprisingly fresh, and sometimes quite unexpected. The Territory Arts Trail makes it easy to discover the best of the NT's art, artists, and much more.
