### **Section 4: Financial and Technical Capacity**

### **Financial Capacity**

Provide suitable evidence via **attachments** to demonstrate financial capacity of the applicant to comply with the obligations under the mineral title. This evidence **may** include but is not limited to:

- most recent audited financial report to the Australian Stock Exchange or if not a publicly listed company, most recent audited annual accounts
- cash resources (attach copy of bank statement)
- value of Government/semi-Government bonds (attach copy of bond)
- line of credit from recognised financial institution (attach statement)
- future fund raising (attach prospectus)
- verification of available funds by a private accountant. Such verification should include a statement that the accountant is aware of the proposed amount of expenditure, and be no more than three months old at the time of giving the information

## **Technical Capacity**

Provide suitable evidence via **attachments** to demonstrate that the mineral title will be under the control of a technically competent person. This evidence **may** include but is not limited to:

- a list of names of all persons (including consultants) providing technical advice
- qualifications and details of the field of expertise of these persons.
- the applicant's latest annual ASX report, where it contains information in relation to the technical capacity of the applicant
