BUILDING NOTE

Contact Officer Steve Popple

Edition Number: 94 Date: 18 March 2013

MANUFACTURER'S CERTIFICATION: PROPRIETARY ITEM WINDOWS AND DOORS / SHOWER SCREENS

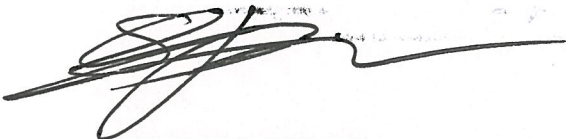

The Building Advisory Committee has approved the use of a new certificate for windows, doors and shower screens.

This form replaces the form referenced in Building Note 30 dated 11/08/2000.

Please note that the fixing details are required to be attached to each certificate.

The use of this form will be effective from 1 April 2013. The existing forms must not be used after this date.

The form can be downloaded from the Building Advisory Services website <http://www.nt.gov.au/lands/building> follow the links to forms.
