1.1 General

Unless the contrary intention is indicated this RFQ is to be interpreted in the same manner and words have the same meaning as in the Conditions of Contract.

In these Conditions of Quoting the following definitions apply:

'Addendum' means any document expressly stated to be an Addendum, which is issued by the Principal varying some provision in the original RFQ prior to the stated closing time and date.

'Quotation' means all documents lodged by the Respondent in response to the RFQ.

'Respondent' means the person lodging a Quotation in response to the RFQ.

'RFQ' means the request for quotation inviting offers and includes all annexures, schedules, attachments and addenda.

1.2 Lodgement of Quotations

For the Quotation to be considered, the Respondent shall complete and submit one copy of the documents listed in the section of the Annexure to the Conditions of Quoting and Contract titled "Documents to be Lodged" (ie. all Response Schedules);

- a) in English;
- b) in the form required; and
- c) to be fully received by the stated time and date for closing of the Quotation;
- d) Any Quotation that does not comply with these conditions or which contains provisions not required or allowed by the RFQ may result in the Quotation being declared ineligible for consideration.

Oral Quotations or Quotations submitted electronically (other than via the Quotations and Tenders Online eLodgement Service or by facsimile), shall be declared ineligible for consideration.

The Principal will not be liable for any expense or loss, which may be incurred by any Respondent in the preparation of its Quotation.

Once lodged, the Quotation shall become the property of the Principal.

1.2.1 Closing Time and Date

Quotations will close at the time and on the date stated on the front cover of the RFQ.

1.2.2 Lodged by Hand

Quotations delivered by hand (including by a commercial courier service) must be lodged in the Quotation and Tender Box specified on the front cover of the RFQ.

Quotations must be enclosed in a sealed envelope and marked with the RFQ Number and closing date.

Respondents lodging by hand to any box other than the Quotation and Tender Box referred to on the front cover of the RFQ may result in the Quotation being declared ineligible for consideration.

1.2.3 Lodged by Post

Lodgement by prepaid post is **not permitted**. Any Quotation submitted by prepaid post shall be declared ineligible for consideration.

1.2.4 Lodged by Facsimile

Quotations sent by facsimile must be directed to the facsimile number stated on the front cover of the RFQ.

The Quotation may be admitted for consideration on the basis that the transmission of the Quotation is acknowledged by the Respondent as being the true and legal version and is completed, submitted and acknowledged by the stated time and date for closing of the Quotation.

1.14 Change to the Conditions of Contract

1.14.1 Conditions of Quoting

Respondents **are not permitted** to request changes or propose alternatives to the Conditions of Quoting applicable to the RFQ. Any Respondent who attempts to do so will have their Quotation declared ineligible for consideration.

1.14.2 Conditions of Contract

Respondent may request changes to the Conditions of Contract applicable to this RFQ, or propose alternative Conditions of Contract **only** if stated in the Annexure that this is allowed.

Where Respondents request changes to the Conditions of Contract or propose alternative Conditions, they must clearly specify in the appropriate section of the Response Schedules the changes to the Conditions that are being requested or the alternative Conditions that are being proposed.

Where Respondents request changes to the Conditions of Contract or propose alternative Conditions of Contract, they do so at their own risk, as the changes will be deemed to have formed part of their offer and their Quotation will be assessed on that basis. If the requested changes or the alternative Conditions included in a Quotation are not acceptable to the Principal, the Quotation will not be successful.

If the RFQ states that the changes to the Conditions of Contract or alternative Conditions are not allowed, then Respondents may not request changes to the Condition of Contract applicable to this RFQ, or propose alternative Conditions of Contract. If a Respondent does so, their Quotation will be declared ineligible for consideration.

Nothing in this clause affects the Principal's right to negotiate with one or more Respondents as provided for in this RFQ.

1.15 Impartiality of Requirements

If an item is specified as being similar or equivalent to a particular brand in the Scope of Requirement this is to set an acceptable standard only and no preference is given to that brand.

Any Goods offered must be at least of the same standard and potential as specified in the Scope of Requirement, or as is inherent in the equivalent brand. The Principal may accept Goods of higher standard than specified if the Goods offer better value-for-money outcomes.

1.16 Samples and Literature for Assessment

Samples shall be forwarded to the address, and within the time, specified in writing by the Principal at the Respondent's risk and expense. Failure to provide samples may result in the Respondent's Quotation being declared as ineligible for consideration.

The Principal shall be entitled to test the sample to ensure compliance with the specified requirements. Where specified, samples may be tested to destruction at the Respondent's expense unless agreed otherwise in writing.

If requested in writing by the Respondent, samples will be returned to the Respondent at their risk and expense.

1.17 Treatment of Low or Aberrant Prices

Where a Quotation price (or a key element of a Quotation price) is considered well below the median price and/or the estimated value of the requirements, the Respondent, as a part of the assessment process, may be requested to confirm the quoted price and /or respond to questions regarding particular aspects of the Quotation. The Respondent may also be asked to provide written confirmation that the scope of work and contractual obligations are fully understood. Where the price submitted is confirmed the Principal will, at its discretion, either:

- a) proceed with the evaluation of the Quotation; or
- b) where there is evidence that acceptance of the Quotation may pose a substantial risk to the provision of the Goods and the sustainability of Respondent, give consideration to passing over that Quotation.

1.18 Disclosure of Weightings

Quotation assessment criteria and percentage weightings applicable to the RFQ are detailed in the Annexure.

Although Quotation assessment criterion may include sub-criteria, percentage weightings shall only be published as a cumulative percentage against the quotation assessment criterion. If sub-criteria are used and the sub-criteria are to be given percentage weightings, the weightings applying to the sub-criteria shall not be disclosed or published.

The clause titled "Quotation Assessment Criteria" in the Conditions of Quoting provides examples of the types of consideration that may form part of each criterion if not stated as sub-criteria.

The Principal reserves the right to apply percentage weightings to each criterion in its total discretion, having regard to the required outcomes of the Quotation.

1.19 Quotation Assessment Criteria

Quotation responses will be scored against the assessment criteria. Selection of the successful Respondent will be based on a best value for money assessment of the Quotation against the Quotation Assessment Criteria as requested in the specific Response Schedules.

The elements under each criterion are offered for the purpose of providing Respondents examples of the types of consideration that may form part of each criterion. These elements as stated under each criterion are not to be considered exclusive to any specific Quotation.

1.20 Clarification and Additional Information

The Respondent may be called upon to clarify information contained in their Quotation or to supply information additional to that provided in its Quotation to demonstrate to the satisfaction of the Principal that the Respondent has the ability to supply the Goods specified.

The Respondent shall within the time specified comply with any such requests. Failure to submit any or all of the information required, in the time stipulated, may result in the Quotation being declared ineligible for consideration.

1.21 Negotiations

- a) The Principal may engage in detailed discussions and negotiations with one or more Respondents.
- b) Without limiting sub-clause 1.21a) the selection of Respondents under this clause does not bind the Principal to a contractual relationship and is not a representation that a contract will be entered into between the Principal and the Respondent.

- d) If the parties fail to complete satisfactory negotiations, the Principal may, at its sole discretion, terminate negotiations with that Respondent and commence negotiation with

The Principal shall not be bound to accept the lowest or any Quotation.
