Limmen National Park

The Parks and Wildlife Commission of the Northern Territory advise that under section 113 of the Territory Parks and Wildlife Commission Act authorised destruction of feral animals will take place in Limmen National Park from Wednesday 27 July to Wednesday 27 October inclusive.

All public areas including walking trails, day use areas & camping areas will remain open, however all feral animal control zones will be closed, refer to map.

All visitors are advised to comply with all warning signs and avoid entering the control zones.

For more information please contact Limmen National Park office on 8975 9940 or 0400 462 376.
