Reasons for Decision

NORTHERN TERRITORY PLANNING SCHEME

AMENDMENT No. 491

Amendment 491 constitutes an amendment to clause 1.3 “Exceptions” to exempt the use and development of Lot 1143, Town of Katherine and Lot 9543, Town of Palmerston for the purpose of an education establishment until 29 June 2018.

These establishments will provide flexible learning centres, which are part of the Government’s commitment to:

- providing alternative pathways that engage students in and out of the classroom; and
- improving student behaviour.

The amendment will allow the use to proceed for an interim period until such time as the development assessment and determination processes are complete.

Specifically, this amendment without public exhibition is suitable because the exemption is temporary, and the community will be given an opportunity to comment on the use of the land through the currently underway development consent process.
