EXPERIENCE

I have been practising as a barrister for 30 years, during which time I have specialised in construction law, commercial litigation and equity. I have appeared in all Federal and NSW State Courts and most other Australian State and Territory Supreme Courts. During my career at the Bar, I have been briefed by a large number of private law firms as well as the Australian Government Solicitor, NSW Crown Solicitor and several NSW Statutory Corporations. I have represented parties as counsel in all forms of ADR and have conducted numerous Commercial Arbitrations, complex Expert Determinations and Mediations. In my work as a RAN Reserve Legal Officer, I undertake complicated and sensitive administrative inquiries, represent members before disciplinary tribunals and perform a variety of advisory roles for Command. I am a part time Senior Member of NCAT, appointed to the Appeal Panel and Administrative and Equal Opportunity Division.
