Planning Act
Section 29

REASONS FOR DECISION
NORTHERN TERRITORY PLANNING
SCHEME AMENDMENT
AMENDMENT No. 208

The amendment will facilitate the development of the site for multiple dwellings, under the requirements of the NT Planning Scheme.

The amendment will allow infill development for up to four multiple dwellings and will provide potential for greater housing choice and type in Alice Springs. Multiple dwelling development of this site would be consistent with several other development within Lindsay Avenue and nearby Undoolya Road.

The range of land uses allowed for under Zone MD (Multiple Dwelling Residential) emphasise that any subsequent development/use of the site will continue to be for residential purposes.

The site is considered suitable to support the dwelling density envisaged under Zone MD (Multiple Dwelling Residential) provisions.

The amendment is considered to be consistent with the strategic direction provided by the Northern Territory Planning Scheme, in particular the Planning Principles for Alice Springs which supports maximising options for urban infill.

Amendment No. 208 rezones Lot 423 (16) Lindsay Avenue, Alice Springs to Zone MD (Multiple Dwelling Residential).
