Reasons for Decision

NORTHERN TERRITORY PLANNING SCHEME
AMENDMENT No. 324

Part Lot 5182 Town of Darwin and Part Lot 8630 Town of Nightcliff (95 and 213 Dick Ward Drive, Ludmilla and Coconut Grove) is suitable for specific industrial and service commercial uses not prohibited by SD44 (Specific Uses Darwin No. 44).

Specifically, this rezoning is deemed suitable because:

- the proposed SD44 will facilitate a zone that incorporates important measures to ensure that development on the land occurs in a manner that is consistent with Zone LI (Light Industry), however aims to addresses important development issues such as aircraft noise, public safety and Storm Surge; and
- the proposal is seen to contribute to a built environment supporting the economic development of the Territory promoting commercial, primary production and industrial diversity servicing community needs and export potential.
