Reasons for Decision

NORTHERN TERRITORY PLANNING SCHEME
AMENDMENT No. 346

Amendment No. 346 constitutes a minor amendment in relation to outdoor play space requirements for child care centres, simply bringing the controls of this subclause in line with associated Northern Territory and national controls on child care centres.

I have decided to approve this amendment without public exhibition as it is considered to be minor, does not change the original intent of the child care centre clause in the Planning Scheme, and ensures consistency across regulatory controls.
