

# Northern Territory Authorised Mine Sites

| Site Name                          | Current Operator   | Commodities  | Status      | Region                 | Location  | First Authorised |
|------------------------------------|--|--|-------------|------------------------|---|------------------|
| ABT One Project                    | Darwin Material Supplies (DMS) Pty Ltd                       | Sand, Soil, Gravel   | Extractive  | Darwin SD and Environs | Approximately 50km South East of Darwin in the Humpty Doo locality.   | 19/02/2021       |
| Acacia Project                     | Aldebaran Contracting Pty Ltd                                | Sand, Soil, Gravel   | Extractive  | Darwin SD and Environs | Approximately 32 kilometres from Humpty Doo.  | 26/08/2010       |
| Acacia Quarry                      | Acacia Quarry Pty Ltd  | Crushed Rock   | Extractive  | Darwin SD and Environs | approximately 65 kilometres south of Darwin.  | 19/11/2009       |
| Alcatraz Quarry                    | Chambers, Kenneth John                                       | Crushed Rock, Gravel   | Extractive  | Darwin SD and Environs | Approximately 60 kilometres south of Darwin in the Acacia Hills area.   | 4/07/2003        |
| Alexandria Station Gypsum          | Northern Cement Limited                                      | Gypsum   | Extractive  | Barkly Region          | Approximately 105 kilometres south of Katherine.  | 7/06/2002        |
| Alice Springs Project              | Aldebaran Contracting Pty Ltd                                | Crushed Rock   | Extractive  | Central Region         | Approximately 23 km south of Alice Springs  | 8/11/2022        |
| Alice Springs Project              | Genesis Resources Limited                                    | Copper   | Exploration | Central Region         | Approximately 155 kilometres north east of Alice Springs.   | 13/03/2015       |
| Allamber Project                   | Kingsland Minerals Ltd                                       | Gold, Copper, Uranium  | Exploration | Darwin Region Balance  | Approximately 25km north east of Pine Creek.  | 22/08/2022       |
| Ammaroo Phosphate Project          | Verdant Minerals Pty Ltd                                     | Phosphate  | Exploration | Central Region         | Approximately 360 kilometres north east of Alice Springs.   | 7/10/2010        |
| Angela Project                     | Optimal Mining Ltd   | Uranium  | Exploration | Central Region         | Approximately 25 kilometres south of Alice Springs  | 14/06/2017       |
| Angela Project                     | Elevate Uranium Ltd  | Uranium  | Exploration | Central Region         | Approximately 25km south of Alice Springs.  | 25/08/2022       |
| Area 47 Project                    | Ostojic Group Pty Ltd  | Sand, Gravel   | Extractive  | Darwin SD and Environs | Approximately 22 kilometres east of Darwin and approximately five kilometres north west of Howard Springs.                          | 26/05/2010       |
| Area 47 Project                    | Mafy Monck   | Sand   | Exploration | Darwin SD and Environs | Approximately 20km east of Darwin and 4km North of Howard Springs.  | 7/02/2020        |
| Area 47 Project                    | Margetic & Sitzler Consolidated Holdings Pty Ltd             | Sand   | Extractive  | Darwin SD and Environs | Approximately 20km east of Darwin and 4km north of Howard Springs.  | 22/03/2024       |
| Area 55 Project                    | Northern Territories Resources Pty Ltd                       | Silver, Alumina, Nickel, Cobalt, Phosphate, Copper, Iron, Magnesium, Lead, Zinc, Uranium       | Exploration | Darwin SD and Environs | Approximately 7km northwest of the Batchelor township   | 2/09/2021        |
| Arltunga Project                   | Genesis Resources Limited                                    | Gold   | Exploration | Central Region         | Approximately 110 kilometres north east of Alice Springs.   | 29/03/2012       |
| Arunta Project                     | Lithium Plus Pty Ltd   | Lithium  | Exploration | Barkly Region          | Delmore Downs area, Northern Territory  | 17/09/2018       |
| Attack Creek Project               | Raw Materials NT Pty Ltd                                     | Sand   | Extractive  | Barkly Region          | Approximately 72km north of Tennant Creek.  | 6/09/2022        |
| Attack Creek Project               | S.K. Plant & Equipment Pty. Limited trading as SK Enterprise | Sand, Crushed Rock   | Extractive  | Barkly Region          | Approximately 75 kilometres north of Tennant Creek.   | 22/05/2003       |
| Balaka Project                     | Coleman, Craig Bruce   | Soil   | Extractive  | Darwin SD and Environs | Approximately 32 kilometres south east of Darwin.   | 23/10/2003       |
| Barkly Project                     | Tennant Minerals Limited                                     | Gold, Copper   | Exploration | Barkly Region          | Approximately 37km east of Tennant Creek.   | 5/09/2023        |
| Barkly Project                     | Teck Australia Pty Ltd                                       | Silver, Lead, Zinc   | Exploration | Barkly Region          | Approximately 300km east of Tennant Creek.  | 4/08/2022        |
| Barkly Project                     | Minerals Pty Ltd T/As Transition Minerals                    | Rare Earths  | Exploration | Barkly Region          | Approximately 350km northeast of Tennant Creek.   | 28/09/2021       |
| Barkly Project, Tennant Creek      | Colour Minerals Pty Ltd                                      | Gold, Copper   | Exploration | Barkly Region          | Tennant Creek Area.   | 9/08/2018        |
| Barkly Super Project               | Barkly Operations Pty Ltd                                    | Gold, Base Metals  | Exploration | Barkly Region          | Approximately 200km east of Tennant Creek.  | 31/05/2022       |
| Barrow Creek Project               | Eastern Metals Limited                                       | Base Metals, Copper  | Exploration | Barkly Region          | Approximately 30 kilometres east of the Stuart Highway and 15km east of the Tara Aboriginal community and Neutral Junction Station. | 5/05/2022        |
| Batchelor Project                  | Boral Resources (QLD) Pty. Limited                           | Crushed Rock   | Extractive  | Darwin Region Balance  | Approximately 93km south east of Darwin   | 31/08/2022       |
| Batchelor Project                  | Korab Resources Limited                                      | Nickel   | Exploration | Darwin SD and Environs | Approximately 80 kilometres south of Darwin. Approximately four kilometres east of Batchelor.                                       | 29/07/2010       |
| Batchelor South Project            | Northern Territories Resources Pty Ltd                       | Silver, Alumina, Gold, Nickel, Cobalt, Phosphate, Copper, Iron, Magnesium, Lead, Zinc, Uranium | Exploration | Darwin SD and Environs | Approximately 2km and 14km south of the Batchelor Township  | 6/10/2021        |
| Battery Hill Mining Centre         | Edna Berryl Mining Company Pty Ltd                           | Not Applicable   | Mining      | Central Region         | Approximately 2 kilometres east of Tennant Creek.   | 22/09/2017       |
| Beatrice Project                   | Alligator Energy Ltd   | Uranium Oxide, Uranium   | Exploration | Darwin Region Balance  | Approximately 260 kilometres east of Darwin and 45 kilometres east of Jabiru 90 kilometres northeast of Jabiru.                     | 30/06/2015       |
| Benmara Project                    | Resolution Minerals Ltd                                      | Base Metals, Copper  | Exploration | Barkly Region          | Approximately 200km north-east of Tennant Creek.  | 6/09/2021        |
| Berinka Project                    | Focus Exploration Pty Ltd                                    | Silver, Gold, Nickel, Cobalt, Copper   | Exploration | Darwin Region Balance  | Approximately 110km southwest of Adelaide River.  | 25/06/2020       |
| Biglyi and Ngalia Regional Project | Energy Metals Ltd  | Vanadium, Uranium  | Exploration | Central Region         | Approximately 350 kilometres north west of Alice Springs.   | 21/11/2005       |
| Birrindudu Project                 | Oakajee Exploration Pty Ltd                                  | Platinum Group, Nickel, Copper   | Exploration | Katherine Region       | Approximately 435km north west of Tennant Creek and within the Tanami Region.   | 2/11/2020        |
| Bloodwood Project                  | URO Corporation Pty Ltd                                      | Nickel, Tungsten/Wolfram, Copper, Lithium, Zinc, Rare Earths                                   | Exploration | Central Region         | Approximately 400km North-West of the MacDonnell Ranges and Alice Springs.  | 2/08/2023        |
| Bluff Extended Project             | Redbank Operations Pty Ltd                                   | Copper   | Exploration | Katherine Region       | Approximately 190km south east of Borroloola.   | 11/06/2021       |
| Bonney Project                     | Swoocabe Pty. Limited  | Soil   | Extractive  | Barkly Region          | Approximately 45 kilometres from Tennant Creek.   | 14/11/2013       |
| Bonya Project                      | Molyhil Mining Pty Ltd                                       | Tungsten/Wolfram, Copper   | Exploration | Barkly Region          | Approximately 400km north east of Alice Springs.  | 2/04/2019        |
| Bootu Creek Exploration Project    | OM (Manganese) Ltd   | Manganese  | Exploration | Barkly Region          | Approximately 120 kilometres north of Tennant Creek.  | 26/08/2011       |
| Bootu Creek Manganese Project      | OM (Manganese) Ltd   | Manganese  | Mining      | Barkly Region          | Approximately 125 kilometres north of Tennant Creek.  | 22/05/2002       |
| Borroloola Project                 | Cairns Industries Pty Ltd                                    | Sand, Soil, Gravel   | Extractive  | Katherine Region       | Approximately 10 kilometres north of Borroloola.  | 8/08/2014        |
| Borroloola West Project            | West Rock Resources Pty Ltd                                  | Manganese, Copper  | Exploration | Katherine Region       | Approximately 660 kilometres south east of Darwin.  | 19/08/2013       |
| Box Hole Project                   | MetalsGrove Mining Ltd                                       | Base Metals, Rare Earths   | Exploration | Central Region         | Approximately 250km north-east of Alice Springs.  | 27/09/2022       |
| Bridge Creek Project               | Bridge Creek Mining Pty Ltd                                  | Gold   | Mining      | Darwin Region Balance  | Approximately 35 kms south of the township of Adelaide River  | 30/10/2019       |
| Brocks Creek                       | Bacchus Resources (Operations) Pty Ltd                       | Gold   | Mining      | Darwin SD and Environs | Approximately 130km southeast of Darwin.  | 4/06/2021        |
| Brocks Creek Exploration Project   | Bacchus Resources (Operations) Pty Ltd                       | Gold   | Exploration | Darwin SD and Environs | Approximately 130km southeast of Darwin (directly).   | 23/03/2021       |
| Browns Oxide Project               | Northern Territories Resources Pty Ltd                       | Copper, Lead, Zinc   | Mining      | Darwin SD and Environs | Approximately 105 kilometres south of Darwin. Approximately seven kilometres north west of Batchelor.                               | 8/03/2017        |
| Bruce Project                      | MetalsGrove Mining Ltd                                       | Gold, Base Metals, Copper, Rare Earths   | Exploration | Central Region         | Approximately 230 kilometres northeast of Alice Springs.  | 16/02/2023       |
| Burnside Project                   | PNX Metals Limited   | Silver, Gold, Copper, Lead, Zinc   | Exploration | Darwin Region Balance  | Approximately 120 kilometres south east of Darwin.  | 18/08/2015       |
| Burnside Regional Project          | PNX Metals Limited   | Gold   | Exploration | Darwin Region Balance  | Approximately 120km south-southeast of Darwin.  | 16/02/2022       |
| Byers Road Project                 | Darwin River Quarries Pty Ltd                                | Sand, Gravel   | Extractive  | Darwin SD and Environs | Approximately 65 kilometres south of Darwin.  | 24/11/2014       |
| Bynoe Lithium Project              | Charger Metals NL  | Lithium  | Exploration | Darwin SD and Environs | Approximately 30km south west of Darwin.  | 17/06/2022       |
| Bynoe Project                      | Lithium Plus Minerals Ltd                                    | Lithium  | Exploration | Darwin SD and Environs | In the vicinity of Observation Hill and Kangaroo Flats areas of the Bynoe Region.   | 31/05/2022       |
| Bynoe Project                      | Evergreen Lithium Limited                                    | Lithium  | Exploration | Darwin SD and Environs | Approximately 25km south of Darwin.   | 5/12/2022        |
| Cave Creek Project                 | Cave Creek Station Pty Ltd.                                  | Sand   | Extractive  | Katherine Region       | Approximately 95 kilometres south east from Katherine.  | 19/12/2013       |
| Central Tanami Project             | Northern Star (Tanami) Pty Ltd                               | Gold   | Exploration | Central Region         | Approximately 650 kilometres northwest of Alice Springs.  | 5/06/2017        |
| Chandler Project                   | Tellus Holdings Ltd  | Salt   | Exploration | Central Region         | Approximately 120 kilometres south of Alice Springs.  | 13/08/2012       |
| Channel Island Project             | Innocente Transport Pty. Limited                             | Sand, Soil, Gravel   | Extractive  | Darwin SD and Environs | Approximately 7 kilometres from Palmerston.   | 26/06/2014       |
| Charley Creek Project              | URO Corporation Pty Ltd                                      | Gold, Nickel, Base Metals, Copper, Zinc, Rare Earths   | Exploration | Central Region         | North of the MacDonnell Ranges and North West of Alice Springs.   | 26/07/2023       |
| Charley Creek Project              | Enova Mining Limited   | Rare Earths, Uranium   | Exploration | Central Region         | Approximately 100 kilometres west northwest of Alice Springs.   | 27/02/2009       |
| Combined Project                   | Quarrian Pty. Ltd.   | Sand, Gravel   | Extractive  | Central Region         | Multiple sites approximately 40 to 67 kilometres south and north respectively from Alice Springs.                                   | 3/09/2012        |
| Combined Project                   | Alice Springs Sand Supply Pty. Ltd.                          | Sand, Soil, Gravel   | Extractive  | Central Region         | Multiple sites varying from approximately 15 -55 kilometres south east of Alice Springs.  | 19/06/2009       |
| Combined Project                   | S.K. Plant & Equipment Pty. Limited trading as SK Enterprise | Sand, Crushed Rock, Gravel   | Extractive  | Darwin SD and Environs | Multiple sites approximately three to nine kilometres from Howard Springs and approximately nine kilometres from Humpty Doo.        | 3/12/2009        |

## Northern Territory Authorised Mine Sites

| Site Name                                       | Current Operator                                  | Commodities                            | Status      | Region                 | Location   | First Authorised |
|---|---|--|-------------|------------------------|--|------------------|
| Compass Creek Project                           | Ismins Pty Ltd                                    | Silver, Gold, Tin and/or Tantalite     | Exploration | Darwin Region Balance  | Located approximately 125km south east from Darwin in the Ban Ban Springs locality.                                  | 4/04/2019        |
| Cosmo Howley Project Area                       | NT Mining Operations Pty Ltd                      | Gold                                   | Exploration | Darwin Region Balance  | Approximately 160 kilometres south east of Darwin, between Adelaide River and Pine Creek.                            | 11/05/2018       |
| Cosmo Project                                   | NT Mining Operations Pty Ltd                      | Gold-Dore                              | Mining      | Darwin Region Balance  | Approximately 160 kilometres south of Darwin. Approximately 12 kilometres north west of the Hayes Creek Wayside Inn. | 11/11/2009       |
| Debbil Debbil Creek Project                     | Lagoon Creek Resources Pty Ltd                    | Gold, Uranium                          | Exploration | Katherine Region       | Approximately 250 kilometres south east of Borroloola. Adjacent to the Queensland border.                            | 11/08/2010       |
| Dhupuma Exploration Project                     | Gulkula Mining Company Pty Ltd                    | Bauxite                                | Exploration | East Arnhem Region     | Approximately 720 kilometres north east of Katherine.  | 14/08/2014       |
| Dhupuma Plateau Bauxite Mine                    | Gulkula Mining Company Pty Ltd                    | Bauxite                                | Mining      | East Arnhem Region     | Approximately 30km south by road from the town of Nhulunbuy on the Gove Peninsula.                                   | 23/06/2017       |
| Dorisvale Project                               | Micronised Mineral Solutions Pty Ltd              | Barite                                 | Exploration | Katherine Region       | Approximately 98 kilometres west of Katherine and approximately 21 kilometres south from Pine Creek.                 | 16/06/2015       |

| Molyhil Mine Project                           | Fram Resources Pty Ltd                         | Tungsten/Wolfram, Copper, Molybdenum   | Exploration | Central Region         | Approximately 240km northeast of Alice Springs.   | 30/05/2023       |
| Monza Exploration Project                      | Newmont Exploration Pty Ltd                    | Gold   | Exploration | Central Region         | Approximately 550km north west of Alice Springs.  | 12/05/2022       |
| Mount Bunday Granite Quarry                    | Austmin Development Pty Ltd                    | Dimension Stone  | Extractive  | Darwin Region Balance  | Approximately 100 kilometres east of Darwin.  | 16/01/2004       |
| Mount Bunday Project                           | Boral Resources (QLD) Pty. Limited             | Crushed Rock   | Extractive  | Darwin Region Balance  | Multiple sites approximately 93 and 100 kilometres south east of Darwin.  | 1/03/2013        |
| Mount Bunday Project                           | Ostojic Group Pty Ltd                          | Sand, Gravel   | Extractive  | Darwin Region Balance  | Approximately 104 kilometres south east of Darwin and 87 kilometres south east from Palmerston.                     | 23/06/2014       |
| Mount Doreen                                   | Litchfield Minerals Pty Ltd                    | Base Metals, Lithium   | Exploration | Central Region         | Approximately 350 kilometres Northwest of Alice Springs.  | 17/03/2023       |
| Mount Hardy Project                            | Todd River Metals Pty Ltd                      | Gold, Copper   | Exploration | Central Region         | Approximately 297 kilometres north west of Alice Springs.   | 26/03/2017       |
| Mount Paqualin Project                         | Bridge Creek Mining Pty Ltd                    | Gold   | Exploration | Darwin Region Balance  | Approximately 35km south of Adelaide River, 5km east of the Stuart Highway.   | 12/08/2020       |
| Mount Paqualin Project                         | NT Mining Operations Pty Ltd                   | Gold-Dore  | Exploration | Darwin Region Balance  | Approximately 30 kilometres east of Adelaide River.   | 11/11/2009       |
| Mount Peake Project                            | Enigma Mining Limited                          | Iron Ore, Titanium, Vanadium   | Exploration | Central Region         | Approximately 220 kilometres north northwest of Alice Springs.  | 5/12/2016        |
| Mount Porter Project                           | Ark Mines Ltd                                  | Gold   | Mining      | Darwin SD and Environs | Approximately 215 kilometres south of Darwin and approximately 20 kilometres north of Pine Creek.                   | 22/08/2016       |
| Mount Ringwood Project                         | Northern Gold N.L. (Now Northern Gold Pty Ltd) | Gold   | Exploration | Darwin Region Balance  | Approximately 110 kilometres south east of Darwin.  | 11/10/2005       |
| Mount Todd Mine Project                        | Vista Gold Australia Pty Ltd                   | Gold   | Mining      | Katherine Region       | Approximately 290 kilometres south of Darwin. Approximately 55 kilometres north west of Katherine                   | 20/09/2006       |
| Mount Tynn Project                             | Au79 Mining Pty Limited                        | Gold   | Mining      | Darwin Region Balance  | Approximately 130 kilometres south east of Darwin, and approximately 15km south east of the town of Adelaide River. | 24/08/2019       |
| Mount Wells Project                            | Outback Metals Proprietary Limited             | Gold, Tungsten/Wolfram, Copper, Tin and/or Tantalite   | Exploration | Darwin Region Balance  | Between 150 to 200 kilometres south of Darwin, and approximately 37 kilometres north east of Pine Creek.            | 19/08/2008       |
| Mountain Creek Project                         | Western Desert Resources Ltd                   | Iron Ore   | Exploration | Katherine Region       | Approximately 150 kilometres east of Mataranka  | 9/06/2010        |
| Mt Bundy Project Area                          | Primary Gold Limited                           | Gold   | Exploration | Darwin Region Balance  | Approximately 100 kilometres south east of Darwin.  | 10/08/2018       |
| Mt Bundy Quarry                                | Halkitis Bros. Pty. Limited                    | Sand, Crushed Rock, Gravel   | Extractive  | Darwin Region Balance  | Approximately 100 kilometres south east of Darwin.  | 3/04/2003        |
| Mt Fitch Project                               | Northern Territories Resources Pty Ltd         | Silver, Alumina, Gold, Nickel, Cobalt, Phosphate, Copper, Iron, Magnesium, Lead, Zinc, Uranium | Exploration | Darwin SD and Environs | Approximately 9km northwest of the Batchelor township.  | 9/09/2021        |
| Mt Romance Project                             | Mt Romance (NT) Pty Ltd                        | Gold   | Exploration | Darwin SD and Environs | Approximately 40 kilometres east of Adelaide River township.  | 15/01/2019       |
| Mt. Peake Lithium Project                      | Pure Mining Pty Ltd                            | Lithium  | Exploration | Central Region         | Approximately 180km north of Alice Springs.   | 8/11/2022        |
| Murrarji Sand Project                          | Territory Sands Pty Ltd                        | Sand   | Extractive  | Katherine Region       | located on Newcastle Waters and Murrarji Stations, north of Elliot and west of the Stuart Highway.                  | 17/11/2021       |
| Nabarlek North Project                         | Alligator Energy Ltd                           | Uranium  | Exploration | Darwin Region Balance  | Approximately 80km NW of Jabiru.  | 28/07/2022       |
| Nabarlek Uranium Mine                          | DevEx Resources Limited                        | Uranium  | Exploration | Darwin Region Balance  | Approximately 300 kilometres east of Darwin.  | 28/05/2008       |
| Nathan River Exploration Project               | NRR Services Pty Ltd                           | Iron Ore   | Exploration | Katherine Region       | Approximately 530km southeast of Darwin and 230km east of Katherine in the Roper Region.                            | 3/09/2021        |
| Nathan River Project                           | NRR Services Pty Ltd                           | Iron Ore   | Mining      | Katherine Region       | The Mine is located approximately 530 km South East of Darwin.  | 17/11/2020       |
| Neutral Junction Project                       | Bowgan Minerals Ltd                            | Gold, Uranium  | Exploration | Central Region         | Approximately 250 kilometres north east of Tennant Creek.   | 15/02/2010       |
| New Era Project                                | Endeavour Investments (NT) Pty Ltd             | Not Applicable   | Mining      | Darwin Region Balance  | Approximately 205 kilometers south of Darwin  | 12/10/2017       |
| Newcastle Waters Sand Project                  | Territory Sands Pty Ltd                        | Sand   | Extractive  | Katherine Region       | Located on Newcastle Waters Station, North of Elliot and West of the Stuart Hwy.                                    | 24/06/2022       |
| Ngalia Basin Uranium Project                   | Eclipse Metals Limited                         | Vanadium, Uranium  | Exploration | Central Region         | Approximately 350km North West of Alice Springs.  | 17/07/2023       |
| Nobles Nob Gold and Copper Exploration Project | Tennant Consolidated Mining Group Pty Ltd      | Gold, Copper   | Exploration | Barkly Region          | Approximately 13km, southeast of Tennant Creek.   | 18/07/2023       |
| Nobles Nob Gold Project                        | Tennant Consolidated Mining Group Pty Ltd      | Gold   | Mining      | Barkly Region          | Approximately 13 kilometres south-east of Tennant Creek.  | 15/08/2022       |
| Nolans Bore Project                            | Arafura Resources Limited                      | Phosphate, Rare Earths   | Exploration | Central Region         | Approximately 134 kilometres north of Alice Springs.  | 30/12/2003       |
| Nolans Construction Materials                  | Arafura Nolans Project Pty Ltd                 | Gravel   | Extractive  | Central Region         | Approximately 130km north of Alice Springs.   | 18/06/2021       |
| Nolans Rare Earth Project                      | Arafura Nolans Project Pty Ltd                 | Rare Earths  | Mining      | Central Region         | Approximately 135km north-northwest of Alice Springs.   | 10/11/2022       |
| North Arunta Project                           | Prodigy Gold NL                                | Gold   | Exploration | Central Region         | Approximately 350km north of Alice Springs.   | 28/07/2020       |
| North Barkly Project                           | Green Critical Minerals Limited                | Gold, Copper, Vanadium, Rare Earths  | Exploration | Barkly Region          | Approximately 730km Southeast of Darwin.  | 29/06/2023       |
| North Batten Project                           | Teck Australia Pty Ltd                         | Silver, Lead, Zinc   | Exploration | Katherine Region       | Approximately 50km north-west of Borroloola.  | 17/06/2022       |
| North Caledonian Mining Project                | Whiting, Allan Douglas                         | Gold   | Exploration | Darwin Region Balance  | Approximately 230 kilometres south east of Darwin, near Pine Creek.   | 5/07/2007        |
| North Point and Princess Louise Project        | NT Mining Operations Pty Ltd                   | Gold-Dore  | Mining      | Darwin Region Balance  | Approximately 170 kilometres south of Darwin.   | 11/11/2009       |
| North Road Quarry                              | Hy-Tec Industries (Northern Territory) Pty Ltd | Crushed Rock   | Extractive  | Central Region         | Situated on Bond Springs Station, located 8km north along the Stuart Highway from Alice Springs.                    | 31/07/2017       |
| Northern Project                               | Giants Reef Exploration Pty Ltd                | Gold, Copper   | Exploration | Barkly Region          | Approximately 40 kilometres north of Tennant Creek.   | 7/09/2004        |
| Northern Project Area                          | Emmerson Resources Limited                     | Gold, Base Metals, Copper  | Exploration | Barkly Region          | Approximately 18 to 50 kilometres north of Tennant Creek.   | 10/12/2008       |
| Numery Prospect                                | Gempart (NT) Pty Ltd                           | Gold, Base Metals, Copper, Rare Earths   | Exploration | Central Region         | Approximately 185km southeast of Alice Springs.   | 18/04/2023       |
| Old South Road Project                         | Alice Springs Sand Supply Pty. Ltd.            | Gravel   | Extractive  | Central Region         | Approximately 25 kilometres south east from Alice Springs.  | 19/03/2015       |
| Oonagalabi                                     | Comet Resources Limited                        | Copper, Lead, Zinc   | Exploration | Central Region         | Approximately 125km North East of Alice Springs.  | 22/01/2024       |
| Ooraminna Project                              | P.F. & C.J. Brown Pty. Ltd.                    | Crushed Rock   | Extractive  | Central Region         | Approximately 10 kilometres from the Alice Springs airport.   | 29/08/2012       |
| Ooratippra Project                             | CKA Resources Pty Limited                      | Gold, Base Metals, Copper  | Exploration | Central Region         | Approximately 300 kilometres north east of Alice Springs.   | 20/09/2012       |
| Orica Explosives Plant Project                 | Orica Australia Pty Ltd                        | Not Applicable   | Mining      | Darwin Region Balance  | Approximately 175 kilometres south east of Darwin. Approximately 20 kilometres north west of Pine Creek.            | 24/08/2007       |
| Orlando Exploration Program                    | CUFE Tennant Creek Pty Ltd                     | Gold, Copper   | Exploration | Barkly Region          | Approximately 28km North West of Tennant Creek.   | 16/03/2022       |
| Pedirka Basin Project                          | Tri-Star OPCO LLC                              | Iron, Coal   | Exploration | Central Region         | Approximately 490 kilometres south east of Alice Springs, near the Northern Territory and South Australian border.  | 24/12/2010       |
| Peko Rehabilitation Project                    | Peko Rehabilitation Project Pty Ltd            | Iron Ore   | Mining      | Barkly Region          | Approximately 14 kilometres south east of Tennant Creek.  | 24/09/2002       |
| Pine Creek Gold Project                        | NT Mining Operations Pty Ltd                   | Gold-Dore  | Mining      | Darwin Region Balance  | Approximately 225 kilometres south of Darwin and to the western side of Pine Creek.                                 | 11/11/2009       |
| Pine Creek Project                             | Mangusta Minerals Pty Ltd                      | Gold, Copper, Lithium  | Exploration | Darwin Region Balance  | Approximately 150-190km South East of Darwin.   | 2/08/2023        |
| Pine Creek Project                             | Rockwash Pty Ltd                               | Gold   | Exploration | Darwin Region Balance  | Between Adelaide River and Pine Creek (from 5 to 40km's of Pine Creek township)                                     | 8/10/2018        |

## Northern Territory Authorised Mine Sites

| Site Name   | Current Operator                                  | Commodities  | Status      | Region                 | Location   | First Authorised |
|---|---|--|-------------|------------------------|--|------------------|
| Pine Creek Project Area   | NT Mining Operations Pty Ltd                      | Gold   | Exploration | Darwin Region Balance  | Approximately 225km southeast of Darwin  | 17/09/2019       |
| Project Elliott   | BHP Metals Exploration Pty Ltd                    | Copper   | Exploration | Barkly Region          | Approximately 735 km South of Darwin.  | 5/08/2022        |
| Quest 29 Project  | Primary Gold Limited                              | Gold-Dore  | Mining      | Darwin Region Balance  | Approximately 100 kilometres south east of Darwin.   | 28/05/2013       |
| Ranger Mine   | Energy Resources of Australia Ltd.                | Uranium Oxide  | Mining      | Darwin Region Balance  | Approximately 260 kilometres east of Darwin and eight kilometres east of Jabiru.                                 | 17/02/2003       |
| Red Hill Alluvials  | Trojon Enterprises Pty Ltd                        | Gold   | Mining      | Darwin Region Balance  | Approximately 165km south of Darwin and 49km south of Adelaide River.  | 29/11/2019       |
| Reward Project  | Teck Australia Pty Ltd                            | Base Metals  | Exploration | Katherine Region       | Approximately 45 kilometres south west of Borroloola.  | 25/08/2011       |
| Reynolds Range Project  | Prodigy Gold NL                                   | Gold, Copper   | Exploration | Central Region         | The Reynolds Range project is centred approximately 210km northwest of Alice Springs and 65km west of Ti Tree.   | 21/09/2020       |
| Roe Creek Sand Project  | Hy-Tec Industries (Northern Territory) Pty Ltd    | Sand   | Extractive  | Central Region         | Approximately 12.5km southwest of Alice Springs via Stuart Highway and Ilpara Road.                              | 31/07/2017       |
| Roper Bar Iron Ore Project                                      | Western Desert Resources Ltd                      | Iron Ore   | Exploration | Katherine Region       | Approximately 230 kilometres east of Katherine. Approximately 200 kilometres east of Mataranka.                  | 8/09/2008        |
| Roper Gulf Shire Council Project                                | Roper Gulf Regional Council                       | Sand, Soil, Gravel   | Extractive  | Katherine Region       | Approximately 660 kilometres south east of Katherine.  | 5/01/2009        |
| Roper Project Area  | Australian Ilmenite Resources Pty Limited         | Mineral Sands Concentrate                                    | Exploration | Katherine Region       | Approximately 105 kilometres east of Mataranka.  | 22/04/2002       |
| Roper Valley Iron Ore Project                                   | Northern Territory Iron Ore Pty Ltd               | Not Applicable   | Exploration | Katherine Region       | Approximately 420 kilometres south-east of Darwin.   | 5/12/2016        |
| Rover Project   | Castile Resources Ltd                             | Gold, Copper   | Exploration | Barkly Region          | Approximately 50 to 100 kilometres from Tennant Creek.   | 18/03/2008       |
| Rover Project   | Todd River Metals Pty Ltd                         | Gold, Copper   | Exploration | Barkly Region          | Located 40-50km southwest of Tennant Creek   | 27/07/2018       |
| Rustlers Roost Ornamental Rock Extraction Project               | Coulter, Barry Francis                            | Crushed Rock   | Extractive  | Darwin Region Balance  | Approximately 100 kilometres south east of Darwin.   | 12/02/2004       |
| Rustler's Roost Project Area                                    | Primary Gold Limited                              | Gold-Dore  | Mining      | Darwin Region Balance  | Approximately 100 kilometres south east of Darwin.   | 28/05/2013       |
| Sandover Project  | Baudin Resources Pty Ltd                          | Copper   | Exploration | Central Region         | Approximately 200km north of Alice Springs.  | 16/10/2023       |
| Sandy Creek Project   | Trojon Enterprises Pty Ltd                        | Gold   | Mining      | Darwin Region Balance  | Approximately 165 South of Darwin.   | 15/03/2021       |
| Sandy Flat Mine   | Redbank Operations Pty Ltd                        | Copper   | Mining      | Katherine Region       | Approximately 900 kilometres south east of Darwin and approximately 30 kilometres west of the Queensland border. | 25/06/2002       |
| Santa Teresa Quarry Project                                     | P.F. & C.J. Brown Pty. Ltd.                       | Crushed Rock   | Extractive  | Central Region         | Approximately 36 kilometres south east of Alice Springs.   | 20/03/2014       |
| Scrubby Creek Project   | Tomazos Group Pty Ltd                             | Sand   | Extractive  | Darwin SD and Environs | Approximately 30 kilometres east of Darwin, east of the Howard Springs.  | 24/04/2013       |
| Shoobridge Project  | Core Lithium Ltd                                  | Gold, Lithium, Tin and/or Tantalite                          | Exploration | Darwin Region Balance  | Approximately 140km south, south-east of Darwin.   | 7/12/2023        |
| SILL80 Roper Project  | Australian Ilmenite Resources Pty Limited         | Mineral Sands Concentrate                                    | Mining      | Katherine Region       | Approximately 105 kilometres east of Mataranka.  | 14/03/2013       |
| Skyfall, Largo and Knightfall Project                           | Spectrum Metals Limited                           | Rare Earths  | Exploration | Darwin Region Balance  | Approximately 93 kilometres south west of Pine Creek.  | 19/11/2013       |
| Snakebite Project   | Bacchus Resources (Operations) Pty Ltd            | Gold   | Exploration | Darwin Region Balance  | Approximately 55 km north-west of Pine Creek.  | 20/07/2021       |
| Soil Sampling Phase 1 Project                                   | Bacchus Resources Pty Ltd                         | Gold, Base Metals  | Exploration | Darwin Region Balance  | Approximately 220 km and 140 km south of Darwin.   | 25/03/2024       |
| South East Burnside Project                                     | NT Mining Operations Pty Ltd                      | Gold, Base Metals  | Exploration | Darwin Region Balance  | Approximately 150 kilometres south east of Darwin between the townships of Adelaide River and Pine Creek.        | 11/11/2009       |
| South Road Hard Rock Project                                    | P.F. & C.J. Brown Pty. Ltd.                       | Crushed Rock   | Extractive  | Central Region         | Approximately 20km from Alice Springs.   | 27/09/2023       |
| South Tennant Gravel Pit  | Phillips Earthmoving Contractors Pty Ltd          | Gravel   | Extractive  | Barkly Region          | Approximately 6km from Tennant Creek post office.  | 2/09/2021        |
| Southern Cross Bore   | South Harz Potash Ltd                             | Gold, Copper   | Exploration | Central Region         | Approximately 75 kilometres north east of Alice Springs  | 13/06/2017       |
| Southern Leases Project   | Groote Eylandt Mining Company Proprietary Limited | Manganese  | Exploration | Darwin Region Balance  | Approximately, 30 kilometres south of the Alyangula, Groote Eylant.  | 2/11/2016        |
| Southern Project Area   | Emmerson Resources Limited                        | Gold, Base Metals, Copper                                    | Exploration | Barkly Region          | Approximately two and 50 kilometres west and south west of Tennant Creek.  | 10/12/2008       |
| Spring Hill Project   | TM Gold Pty Ltd                                   | Gold   | Exploration | Darwin Region Balance  | Approximately 200 kilometres south east of Darwin.   | 14/07/2016       |
| Spring Hill Project   | TM Gold Pty Ltd                                   | Gold   | Mining      | Darwin Region Balance  | Approximately 200km south east of Darwin   | 19/04/2022       |
| Spring Hill West  | JSM Mining Pty Ltd                                | Gold   | Mining      | Darwin Region Balance  | Approximately 160km South South-East of Darwin.  | 14/03/2024       |
| Stapleton Creek Project   | May's Supplies, Andrew May                        | Gravel   | Extractive  | Darwin SD and Environs | Adelaide River area.   | 13/09/2021       |
| Strangways Project  | Territory Exploration Pty Ltd                     | Base Metals  | Exploration | Central Region         | Bushy Park Station, Northern Territory   | 4/07/2018        |
| Sunday Creek East Project                                       | Ostojic Group Pty Ltd                             | Sand, Soil, Gravel   | Extractive  | Darwin Region Balance  | Approximately 58 kilometres south east from Darwin.  | 7/07/2017        |
| Sunday Creek Project  | A1 Sand & Gravel Pty Limited                      | Sand, Gravel   | Extractive  | Darwin SD and Environs | Approximately 29km southeast of Palmerston.  | 29/08/2023       |
| Sunday Creek Project  | Yebna Sands Pty Ltd                               | Sand, Gravel   | Extractive  | Darwin SD and Environs | Approximately 50 kilometres south from Darwin.   | 23/12/2016       |
| Sunday Creek Project  | Allan King & Sons Construction Pty Ltd            | Sand, Gravel   | Extractive  | Darwin SD and Environs | Approximately 46 kilometres south east of Darwin.  | 15/03/2013       |
| Sunday Creek Project  | Earthworks NT Pty Ltd                             | Sand, Soil, Gravel   | Extractive  | Darwin SD and Environs | Approximately 9 kilometres from Humpty Doo.  | 23/07/2014       |
| Sunday Creek Project  | City Earthmoving Pty. Ltd.                        | Sand, Gravel   | Extractive  | Darwin SD and Environs | Approximately 50km South East of Darwin in the Humpty Doo locality.  | 11/07/2019       |
| Sunday Creek Project  | Cecon Transport Pty. Ltd.                         | Gravel   | Extractive  | Darwin SD and Environs | Approximately 40 kilometres from Darwin and 29 kilometres south east of Palmerston.                              | 11/03/2014       |
| Sunday Creek Quarry Project                                     | Yebna Sands Pty Ltd                               | Crushed Rock, Dimension Stone                                | Extractive  | Darwin SD and Environs | Approximately 50 kilometres south of Darwin and approximately nine kilometres from Humpty Doo.                   | 10/04/2017       |
| Sunday Creek Quartzite Quarry                                   | Hy-Tec Industries (Northern Territory) Pty Ltd    | Crushed Rock   | Extractive  | Darwin Region Balance  | Approximately 58km southeast of Darwin off the Arnhem Highway.   | 31/07/2017       |
| Sunday Creek West Project                                       | Ostojic Group Pty Ltd                             | Gravel   | Extractive  | Darwin SD and Environs | Approximately 29 kilometres from Palmerston.   | 23/08/2019       |
| SunJade Project   | Gemstones of Australia Pty Ltd                    | Gemstones  | Mining      | Katherine Region       | Approximately 550 kilometres from Katherine and about 25 kilometres from Kalkarindji.                            | 4/06/2014        |
| Survey Creek Project  | May Drilling Pty Ltd                              | Gold, Base Metals, Copper, Rare Earths, Tin and/or Tantalite | Exploration | Darwin Region Balance  | Approximately 17 kilometres north west of the Daly River.  | 2/11/2011        |
| Tanami Exploration Project                                      | Newmont Tanami Pty Ltd                            | Gold   | Exploration | Central Region         | Approximately 546 kilometres north west of Alice Springs.  | 8/01/2009        |
| Tanami North Project (previously Suplejack Exploration Project) | Prodigy Gold NL                                   | Gold   | Exploration | Central Region         | Northern Territory / West Australian border, north to Birrindudu and south the Central Mine.                     | 30/05/2019       |
| Tanami Project  | Prodigy Gold NL                                   | Gold   | Exploration | Central Region         | Approximately 490 kilometres north west of Alice Springs.  | 26/09/2014       |
| Tanami Regional Exploration Project                             | Northern Star (Tanami) Pty Ltd                    | Gold   | Exploration | Central Region         | Approximately 650km northwest of Alice Springs   | 13/04/2017       |
| Taylor Creek Sand Pit Project                                   | Barber, Glen trading as Barber Hire               | Sand   | Extractive  | Barkly Region          | Approximately 230 kilometres south of Tennant Creek  | 3/09/2015        |
| Taylor Road project   | Aldebaran Quarries Pty Ltd                        | Quartzite  | Extractive  | Darwin Region Balance  | Approximately 20km east of Darwin and 4km north-east of Palmerston.  | 25/10/2019       |
| Tennant Creek Project   | Tennant Gold Pty Ltd                              | Gold   | Exploration | Barkly Region          | Approximately 13 kilometres south east of Tennant Creek  | 26/05/2017       |
| Tennant East Project  | Newcrest Operations Ltd                           | Gold, Copper   | Exploration | Barkly Region          | Approximately 200km east of Tennant Creek.   | 21/10/2020       |
| The Aladdin Project   | Santonian Resources Pty Ltd                       | Alumina, Titanium, Iron, Vanadium                            | Exploration | Katherine Region       | The Aladdin Project is located 45km East of the Top Springs roadhouse and approximately 500km South of Darwin.   | 7/07/2020        |
| The Granites Gold Mine  | Newmont Tanami Pty Ltd                            | Gold-Dore  | Mining      | Central Region         | Approximately 550 kilometres north west of Alice Springs.  | 25/08/2003       |
| The Pines - Howard Springs project                              | DTA Contractors Pty Ltd                           | Sand, Gravel   | Extractive  | Darwin SD and Environs | Approximately 12km East, North-East of Palmerston.   | 31/05/2022       |
| Tin Camp Creek Project  | Alligator Energy Ltd                              | Uranium  | Exploration | Darwin Region Balance  | Approximately 55 kilometres north east of Jabiru.  | 22/06/2011       |
| Tindal Quarry   | Hy-Tec Industries (Northern Territory) Pty Ltd    | Crushed Rock   | Exploration | Katherine Region       | Approximately 7km south of Katherine.  | 28/11/2023       |
| Tindal Quarry and Maud Creek Sand Project                       | Hy-Tec Industries (Northern Territory) Pty Ltd    | Limestone  | Extractive  | Katherine Region       | Approximately 40 kilometres south east of Darwin.  | 31/07/2017       |
| Tobruk Joint Venture  | Newmont Exploration Pty Ltd                       | Gold   | Exploration | Central Region         | The Tobruk Joint Venture is approximately 50km southwest of Dead Bullock Soak.                                   | 14/05/2021       |
| Toms Gully Mine Project   | Primary Gold Limited                              | Gold-Dore  | Mining      | Darwin Region Balance  | Approximately 90 kilometres south east of Darwin.  | 28/05/2013       |
