## **Heritage Act**

Please note that if the Heritage Council accepts this nomination of a place or object for assessment of its heritage significance for declaration as a heritage place or object, it will be assessed under section 24 of the Act. Section 24 requires the Council to assess the heritage significance of a place or object by applying the heritage assessment criteria to that place or object.

As far as possible, your nomination should include information that would enable the Heritage Council to make an assessment in accordance with the heritage assessment criteria.

## **Location**

If possible, attach a map showing the location of the place. If in a city or town, provide lot number and/or street address. If outside an urban area, provide an NT Portion Number and/or the name of the property where applicable. Provide GPS coordinates where applicable, such as for a shipwreck or an isolated location.

If the application refers to a portable object, indicate where the object is currently located.

## **Extent**

You should indicate as clearly as possible in a diagram or by some other means the extent of the place that you are nominating for assessment.
