I, Anne Christine Walters, Chief Inspector of Plant Health:

(a) under section 18(1) of the Plant Health Act and with reference to section 43 of the Interpretation Act, revoke the declaration of a quarantine place made under the instrument titled "Control of Citrus Canker – Revocation of Declaration and Declaration of Quarantine Place" dated 13 June 2018 and published in Gazette No. S40 of 13 May 2018 (as amended); and

(b) under section 18(1) of the Plant Health Act, declare the following areas to be a quarantine place for the control of the declared pest Citrus Canker Xanthomonas citri subsp. citri (the declared pest):

(i) all the land located in an area shaded in grey on a plan in Schedule 1 and the whole of any parcel of land that is partly located in such a shaded area (the restricted area); and

(ii) all the land located in an area shaded in grey on a plan in Schedule 2 and the whole of any parcel of land that is partly located in such a shaded area (the control area); and
(c) declare the quarantine place for the purposes mentioned in section 18(2)(a), (b), (c)(i) to (iv) and (d) of the Act; and

(d) specify that the following prohibitions apply to the whole of the restricted area:

(i) the entry into the restricted area of any host plant for the declared pest (a **host plant**) or plant-related material is prohibited, other than:

(A) entry of fruit and juice imported from outside the control area for human consumption (the **imported products**); or

(B) entry in accordance with a written permit given by the Chief Inspector;

(ii) the movement within the restricted area of any host plant or plant-related material is prohibited, other than:

(A) movement of imported products; or

(B) movement in accordance with a written permit given by the Chief Inspector;

(iii) the removal from the restricted area of any host plant or plant-related material is prohibited, other than:

(A) removal of imported products; or

(B) removal in accordance with a written permit given by the Chief Inspector;

(iv) the cultivation, propagation or planting within the restricted area of any host plant is prohibited, other than cultivation, propagation or planting in accordance with a written permit given by the Chief Inspector; and

(e) specify that the removal of any host plant or plant-related material from the control area is prohibited, other than:

(i) removal of imported products; or
(ii) removal in accordance with a written permit given by the Chief Inspector; and

(f) specify that the reason for the decision to make this declaration is because the quarantine place is affected by the declared pest; and

(g) specify that a person whose interests are or might be affected by the decision has a right to apply under section 58 of the Act for reconsideration of the decision.

Dated 1 November 2018

A. C. Walters
Chief Inspector of Plant Health

Note

The instrument mentioned in paragraph (a) was amended by the following instruments:

1 "Control of Citrus Canker – Amendment of Declaration of Quarantine Place" dated 27 June 2018 and published in Gazette No. S46 of 27 June 2018;

2 "Control of Citrus Canker – Amendment of Declaration of Quarantine Place" dated 26 July 2018 and published in Gazette No. S59 of 26 July 2018;

3 "Control of Citrus Canker – Amendment of Declaration of Quarantine Place" dated 21 September 2018 and published in Gazette No. S75 of 21 September 2018.
Citrus Canker Control Area - 31/10/2018

Legend

- Control Area

Quarantine Orders

- On 3 May 2018, I declared certain areas to be a quarantine order for the control of citrus canker under section 15 of the Plant Health Act 2009. The boundaries of these areas are depicted on the accompanying map.
