

Registration - Renewal

This option allows businesses to renew their vehicle/s registration or pastoral permit.

Registration Renewal

The Registration Renewal button allows you to renew all vehicles registered to your business.

What would you like to do?

Registration Renewal

Select Vehicles

Choose either:

- Vehicle registration renewals
- Pastoral permit renewals

A list of vehicles/permits will be displayed.

You can select bulk renewal for all your vehicles by ticking the **Vehicle** box.

or

Tick the vehicle one by one, which you want to renew.

Select the length of registration or common expiry, then select **Register selected vehicles**.

Note: An alert message will display requirements, which prevents a selected vehicle from being registered.

To proceed, unselect the identified vehicle, then select **Register selected vehicles**.

Select Registration

'Select registration dates individually' allows you to choose different registration periods for each vehicle selected.

Example: you may require a roadworthy inspection for a vehicle and only wish to register for 1 month – up to the inspection due date.

Review and submit

Review the selected vehicles, registration fees and expiry, then select **Confirm and proceed to payment**.

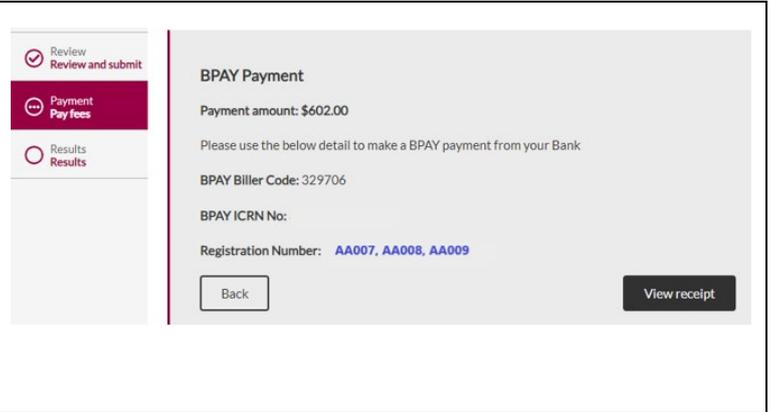

Pay fees

Choose one (1) option for payment, then select **Pay**.

For **Credit card** payment, enter the card details, then select **Submit**.

For **BPAY** payment, use the Biller Code and ICRN No. to make payment via bank transfer, then select **View receipt**.

Important: BPAY payments may take 3-4 business days to transfer. Transactions are finalised when MVR successfully receives payment.

Results

Once payment has been received, you will be taken to the Results screen and notified **'Successfully submitted'**.
