DEVELOPMENT PERMIT

DP23/0229

SCHEDULE OF CONDITIONS

CONDITIONS PRECEDENT

1. Prior to the commencement of works, crossover design approval is to be obtained from Litchfield Council.
2. Prior to the commencement of works, a schematic plan demonstrating the on-site collection of stormwater, and its discharge into Litchfield Council's stormwater drainage system, shall be submitted to and approved by Litchfield Council.

GENERAL CONDITIONS

3. The works carried out under this permit shall be in accordance with the drawings endorsed as forming part of this permit.
4. All existing and proposed easements and sites for existing and required utility services must be vested in the relevant authority for which the easement or site is to be created on the plan of subdivision submitted for approval by the Surveyor General.
5. The owner of the land must enter into agreements with the relevant authorities for the provision of water supply, electricity and telecommunication networks to each lot shown on the endorsed plan in accordance with the authorities' requirements and relevant legislation at the time. Please refer to notations 2, 3 and 4 for further information.
6. Engineering design and specifications for the proposed and affected roads, street lighting, stormwater drainage, site earthworks, vehicular access, pedestrian/ cycle corridors and streetscaping are to be to the technical requirements of Litchfield Council to the satisfaction of the consent authority and all approved works constructed at the owner's expense.
7. Before the use commences the owner must, in accordance with Part 6 of the Planning Act 1999, pay a monetary contribution to Litchfield Council for the upgrade of local infrastructure, in accordance with its Development Contribution Plan.

NOTES

1. The development must comply with the technical standards of the Northern Territory Subdivision Development Guidelines for the construction of public infrastructure as part of subdivision works to the requirements of the relevant local and service authorities. Prior to any works commencing, it is encouraged that you engage early with the relevant authorities to confirm their requirements, and any variations that may be sought to the Subdivision Development Guidelines, to ensure the works are completed to the relevant authorities' requirements. The Northern Territory Subdivision Development Guidelines can be found at: <https://www.ntlis.nt.gov.au/sdg-online/>.

2. The Power and Water Corporation advises that the Water and Sewer Services Development Section (waterdevelopment@powerwater.com.au) and Power Network Engineering Section (powerdevelopment@powerwater.com.au) should be contacted via email a minimum of 1 month prior to construction works commencing in order to determine the Corporation's servicing requirements, and the need for upgrading of on-site and/or surrounding infrastructure.
3. All developers, including owner-builders, are required to comply with Commonwealth telecommunications requirements. Under Commonwealth law, developers are generally required to provide fibre-ready pit and pipe in their developments at their expense. Developers may be able to access an exemption from these arrangements in some circumstances. For more information visit www.infrastructure.gov.au/tind.
4. If you choose nbn to service your development, you will need to enter into a development agreement with nbn. The first step is to register the development via <http://www.nbnco.com.au/develop-or-plan-with-the-nbn/new-developments.html> once registered nbn will be in contact to discuss the specific requirements for the development. Nbn requires you to apply at least 3 months before any civil works commence. All telecommunications infrastructure should be built to nbn guidelines found at <http://www.nbnco.com.au/develop-or-plan-with-the-nbn/new-developments/builders-designers.html>.
5. A "Works Permit" may be required from Litchfield Council before commencement of any work within the road reserve, which would include creation of any driveway crossover connecting to Council's road network.
6. Litchfield Council's current Fees and Charges may apply to the above conditions. Additional information can be found at www.litchfield.com.au.
7. Any new on-site wastewater management system is to be installed in accordance with the Code of Practice for Wastewater Management.
8. As part of any subdivision, the parcel numbers for addressing should comply with the Australian Standard (AS/NZS 4819:2011). For more information contact Survey and Land Records surveylandrecords@nt.gov.au 08 8995 5356. The numbers shown on the plans endorsed as forming part of this permit are indicative only and are not for addressing purposes.
9. Any proposed works which fall within the scope of the Construction Industry Long Service Leave and Benefits Act 2005 must be notified to NT Build by lodgement of the required Project Notification Form. Payment of any levy must be made prior to the commencement of any construction activity. NT Build should be contacted via email (info@ntbuild.com.au) or by phone on 08 89364070 to determine if the proposed works are subject to the Act.
