

Sheep and Goat eID equipment reimbursement application

Who can apply

To be eligible, you must:

- be the owner or manager of the property of which the equipment will be used and stored
- purchase approved sheep and goat eID equipment with a compliant tax invoice
- have a Property Identification Code (PIC) for the property/parcel of land
- have current PIC/property details in the NT PIC/Property Details Register e.g. last updated this year – email NTPIC.Brands@nt.gov.au for 'update property details form'
- own 30 or more sheep and/or goats on that property/parcel of land; or
- receive sheep and/or goats regularly for sale, spelling/transit or processing.

What equipment can you buy

For sheep and goat owners:

- RFID hand held wand reader suitable for use on sheep and goats:
 - maximum value of \$1,500
 - 100% incentive.

For saleyards, export yards, transit yards and processors:

- RFID panel reader suitable for use on sheep and goats:
 - maximum value of \$2,000
 - 50% incentive.

Fields marked with a caret (^) are for office use only.

Collection notice

The Department of Industry, Tourism and Trade respects and is committed to safeguarding the confidentiality and privacy of the information that it collects and handles, in accordance with the Northern Territory *Information Act 2002*¹.

You have been asked to provide personal information necessary for us to assess your sheep and goat eID equipment reimbursement application.

You do not have to provide your personal information, but if you choose not to, we might not be able to accept or process your application, or your application may be refused.

The information you provide will be accessible to the Department of Industry, Tourism and Trade and will only be used to provide a department service or program.

We will not disclose your personal information to third parties unless:

- authorised or required by law to do so
- you have given us your consent to share your personal information for a specific purpose.

You may request access to the information we hold about you. To find out more read our privacy policy². If you want more information about the Northern Territory's privacy laws, please refer to the Northern Territory Information Act 2002, or the Office of the Information Commissioner NT website³.

Further information / How to submit
