## **Notice of Variation to the Electricity Retail Supply Code**

In accordance with section 24(7) of the *Utilities Commission Act*, the Commission gives notice that it has made an administrative variation to the Electricity Retail Supply Code (the Code) to reflect that the Retailer of Last Resort (RoLR) is the Power Retail Corporation (trading as Jacana Energy).

The Code was published in 2011, prior to the structural separation of Power and Water Corporation into separate retail, generation and network business units and referred to Power and Water as the RoLR in the Code. As part of structural separation of Power and Water, the functions of the RoLR were transferred to the Power Retail Corporation (trading as Jacana Energy).

The Code has been amended to refer to Jacana Energy in the context of the RoLR, effective from 18 January 2016.

A copy of the Code is available on the Commission's website ([www.utilicom.nt.gov.au](http://www.utilicom.nt.gov.au)), or can be obtained by contacting the Commission's office by telephone (08 8999 5480) or by email ([utilities.commission@nt.gov.au](mailto:utilities.commission@nt.gov.au)).
