1.5.1 This clause shall prevail where it is stated in the Annexure to the Conditions of Tendering and Contract that the Tender is subject to Industry Accreditation and that the contract shall be a **Panel Period Contract** arrangement:

- a) the Tenderer must be accredited, at the time of tendering, by Contractor Accreditation Limited (CAL); and

The Tender shall state:

- a) the Tenderer's CAL Registration Number on the Tender Form; and
- b) the CAL Registration Numbers of all applicable sub-contractors on the Schedule of Proposed Sub-contractors.

If, at the time of submitting its Tender, the Tenderer has an existing CAL accreditation in an applicable CAL category or sub-category, but requires an upgrade of the rating in that category or sub-category in order to tender for the works set out in the RFT, the Tenderer has 14 calendar days from the closing time and date set out in the RFT to:

- a) obtain an upgrade of the rating of that existing CAL accreditation; and
- b) provide written evidence of the upgrade in of the rating to the Agency Project Officer identified in the RFT.

If written evidence from the Tenderer, of the upgrade in CAL accreditation, is not provided to the Agency Project Officer by the time that is 14 calendar days from the closing time and date specified in the RFT (i.e.2:00 pm, 14 calendar days after the closing time and date), the Tender will be deemed non-conforming and will not be admitted for consideration.

For the avoidance of doubt, where the Tenderer intends to obtain an upgrade of the rating of its existing CAL accreditation, it is still required to submit its Tender by the closing time and date specified in the RFT.

Nothing in this clause allows a Tenderer to obtain CAL accreditation in a new CAL category or sub-category in relation to the works tendered for after the closing date and time.

Any Tender not complying with the requirements of this clause may be invalid and set aside. The Procurement Review Board shall be the sole arbiter of any Tender set aside under the provisions of this clause.

1.6 PERFORMANCE PLAN

If it is stated in the Annexure that a Performance Plan is required then the Tenderer is to submit a Performance Plan Proposal with the Tender.

If required, any tender in which the Performance Plan Proposal is not provided may be considered as informal and rejected.

1.7 ALTERNATIVE TENDERS

Tenderers may submit alternative tenders where the RFT states that alternative tenders are allowed. Where the RFT specifies that an alternative tender must be accompanied by a conforming tender, a conforming tender must be submitted with the alternative tender.

Alternative Tenders must be clearly identified as an "Alternative Tender".

Tenderers are encouraged to offer options or solutions, which may (for example in a novel or innovative way), contribute to Principal's ability to carry out its business in a more cost-effective manner. These may be related to the outputs; or functional, performance and technical aspects of the requirement.

Where a Tenderer submits an offer which meets the requirements in an alternative and practical manner, it shall include any supplementary material, together with associated prices, which demonstrates in detail that such an alternative will fully achieve and/or exceed all the specified requirements, together with references as to why the additional features may be advantageous.

1.8 CHANGE TO THE CONDITIONS OF CONTRACT

Tenderers may request changes to the Conditions of Contract applicable to this Request for Tender (RFT), or propose alternative Conditions of Contract only if the RFT states that this is allowed.

Where Tenderers request changes to the Conditions of Contract or propose alternative conditions, they must clearly specify in the Tender Response Schedules that changes to the Conditions are being requested or that alternative Conditions are being proposed.

Where Tenderers request changes to the Conditions of Contract or propose alternative Conditions of Contract, they do so at their own risk, as the changes will be deemed to have formed part of their offer and their Tender will be assessed on that basis. If the requested changes or the alternative Conditions included in a Tender are not acceptable to the Principal, the Tender will not be successful.

If the RFT states that the changes to the Conditions of Contract or alternative Conditions are not allowed, then Tenderers may not request changes to the Condition of Contract applicable to this RFT, or propose alternative Conditions of Contract. If a Tenderer does so, their Tender will be deemed non-conforming and will not be considered.

This clause does not allow Tenderers to request changes or propose alternatives to the Conditions of Tendering applicable to this RFT. Any Tenderer who attempts to do so will have their Tender deemed non-conforming and set aside.

Nothing in this clause affects the Principal's right to negotiate with one or more tenderers as provided for in this RFT.

1.9 TAXES, DUTIES, FEES, ETC

Any Schedule of Prices/Rates, which is included in the RFT shall be completed and lodged with the Tender. Pricing shall be submitted for each item in the Schedule. Any Tender in which the Schedule is not fully completed may be regarded as informal and rejected.

Unless otherwise stated, any quantities given in the Schedule are not guaranteed as to the amount of the Services to be undertaken under the Contract, but shall be used for Tender assessment purposes only. The Principal will only be liable for the acceptance, subject to Contract, of the Services ordered.

1.11 PART OFFER AND PART ACCEPTANCE

Unless otherwise stated in the Annexure, Tenderers shall offer for the whole of the Services.

Where part offers are allowed, the Principal reserves the right to accept a portion or the whole of any Tender at the price or prices tendered unless the Tenderer specifically states to the contrary in its offer.

1.12 TENDER ASSESSMENT CRITERIA

The Panel Period Contracts will be administered in accordance with the provisions of the sub-clause titled "Panel Period Contract" of the Conditions of Contract.

1.19 COMMON USE CONTRACT

If so stated in the Annexure, the Principal will establish a common use contract for the Services specified in the RFT.

2. CONDITIONS OF CONTRACT

2.1 NATURE OF CONTRACT

2.1.1 Type of Contract

The type of Contract is stated in the Annexure.

2.1.2 Estimated Quantities

Whether the contract is on a standing offer or lump sum basis the estimated quantities required are shown in the pricing section of the Response Schedules. Although every endeavour has been made to form an accurate estimate of requirements during the period of the Contract, the Principal does not bind itself to take the quantities stated, but reserves the right to order greater or lesser of the quantities according to requirements during that time.

If in the opinion of the Principal, specific requirements of the Agency are outside the scope and intent of the Contract, the Principal shall be free to obtain the requirements or any part of them by other means.

2.1.3 Basis of Payment

The basis for payment will be stated in the Annexure.

Where the contract is deemed to be on a Schedule of Rates basis the sum payable shall, subject to any adjustment made pursuant to the Contract, be the measured quantity of each item of the Services actually carried out at the rate set out in the Schedule of Rates.

Where the contract is deemed to be on a lump sum basis, the sum payable shall be, subject to any adjustment made pursuant to the Contract, the amount and under the provisions as stated in the Contract.

2.1.4 Period of Contract

The Contract is a Period Contract. The initial period of the Contract is the period stated in the Annexure. The Contract shall commence in accordance with the nomination in the Annexure, being either a specific date or the Date of Acceptance.

2.1.5 Contract Extension

The Principal has the right to extend the Contract for any further period(s) as stated in the Annexure. There is no obligation on the Principal to extend the contract.

An extension to the Contract is not valid until the Principal gives the Contractor the opportunity to submit revised rates and the Principal agrees to any revised rates and notifies the Contractor in writing that the Contract is extended.

It is the intention that revised rates shall reflect the Contractor's current costs based on relevant cost adjustment indices or other industry factors and shall not provide for increases in profit margin.

2.1.6 Price Adjustment

The basis of price adjustment if any, to the Contract rates shall be as stated in the Annexure.

If the Contract allows a review of the Contract rates during the Contract period the Contractor shall submit a written application for price adjustment in accordance with the provisions of the Contract to the Principal for approval, which shall not be unreasonably withheld. The application shall include adequate information to substantiate the adjustment in rates.

Price adjustment shall take effect at either the date allowed for in the Contract or the Contractor's application date, whichever is the latter. There shall be no retrospective adjustment of the Contract rates.

- (b) General Requirements with no Rates:
- (i) The Ordering Officer will select a Contractor in the following manner:
- Prepare a request for quotation setting out the details of the Service including deliverables and time frame for completion.
 - Forward the request for quotation to a number of panel members depending on the estimated value of the particular Service:
 - If up to and including \$50,000 at least three panel members, if practicable
 - Over \$50,000 all panel members.
- (ii) Selection of the panel member for the provision of these requirements will be based on factors such as value-for-money, the ability to meet completion times, specific expertise, current commitments, degree of utilisation of local industry, and the advantages of dealing with a single provider.

The Ordering Officer recognises that the panel members have been selected on the basis that they are capable of providing the Services and the opportunity for the different panel members to submit an offer for particular Services should be approximately equal over the life of the Contract.

Where the Contract is for a general scope of requirements without any rates:

- (a) the panel once established will remain closed for a period of twelve (12) months unless the Principal determines that owing to changed circumstances the size of the panel is inadequate.
- (b) at the end of every twelve (12) months or sooner if the Principal so determines, the Principal may appoint additional contractors to the panel under the same assessment criteria contained in this RFT.
- (c) the Principal will notify existing panel members of any additions to, or withdrawal from, the panel.
