Liquor permit criteria and conditions

To apply for and/or hold a permit, you must be at least 18 years old and live in the area that you are want/have a liquor permit for. You are not allowed to have or keep a liquor permit if you are on the banned drinker register (BDR), and your permit may be refused or revoked if you have:

- caused substantial annoyance or disrupted community order and peace; or
- assaulted anyone or caused alcohol-related family violence or traffic/vehicle accidents; or
- illegally brought liquor into, or had liquor in, a restricted area; or
- brought a dangerous drug (defined in the *Misuse of Drugs Act 1990*) into, or possessed a dangerous drug in, a restricted area; or
- supplied liquor to someone who is not a permit holder or who is not an invited guest of the permit holder who lives outside of the community; or
- supplied a dangerous drug to another person; or
- been banned from any of the licensed premises in the restricted area; or
- breached any of the conditions of the permit or;
- an order made by any Court or Tribunal prohibiting you from possessing, consuming or purchasing liquor.

You can only have or consume liquor at your home or another liquor permit holder's home in the community you have a permit for as their guest, or areas that are exempt from the restricted area.

Your liquor permit may be refused or revoked if you do not meet the criteria or conditions.

How much alcohol you are allowed in East Arnhem

Takeaway alcohol restrictions are decided by what level your permit is set at.

There are six levels for permit holders who live in Nhulunbuy. All other areas of East Arnhem including Gunyangara, Yirrkala communities have access to the first four levels.

If you are a new permit holder or having your permit reinstated after a ban, you must start at level one.

You will remain on each level for one month. At the end of each month you need to apply to the permit committee to have you level reviewed.
