Reasons for Decision

NORTHERN TERRITORY PLANNING SCHEME
AMENDMENT No. 502

Lot 546 Town of Katherine is suitable for rezoning from Zone SK3 (Specific Use Zone - Katherine No. 3) to Zone MD (Multiple Dwellings Residential).

Specifically, this rezoning is suitable because:

- it supports future development of multiple dwellings in close proximity to the town centre, which is consistent with the planning policies that apply to Katherine, including the Katherine Land Use Plan and Katherine Planning Principles;
- it is consistent with the predominante neighbourhood character that exists within the locality; and
- Zone MD limits residential buildings to a maximum height of 8.5m, consistent with the height limit that applies to adjoining properties.
