

Wild Time

2020

Alice Springs

Have a Wild Time with Parks and Wildlife these school holidays

WEEK 1

Under the microscope

Alice Springs Telegraph Station
Tuesday 29 September
9.00 - 10.30 am

Come along to see little things up close. We'll check out all sorts of natural objects under the microscope and discover new information with some fun facts games.

Waterbug investigation

Simpsons Gap (allow 30 min drive)
Wednesday 30 September
9.00 - 10.30 am

Join us to learn about the critters that live in the water at Simpsons Gap and discover how what we find can help us check the health of the waterhole.

Nature tales and craft

Alice Springs Telegraph Station
Thursday 1 October
9.00 - 10.30 am

Come and sit under the shady trees and listen to stories about our natural world and the creatures that live in it. Then make something fun to take home.

WEEK 2

Trig Hill adventure

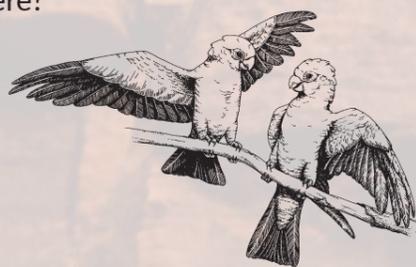

Alice Springs Telegraph Station
Tuesday 6 October
9.00 - 10.30 am

Let's go on an adventure and climb Trig Hill - what will we see along the way? This rugged 1.5 km walk is suitable for little hikers and we'll be rewarded with great views at the top.

Let's go birdwatching!

Alice Springs Telegraph Station
Wednesday 7 October
9.00 - 10.30 am

Join us to learn how to use binoculars and discover what birds live and use the Telegraph Station area. We will do a simple bird survey to see how many different birds we can find. What other signs could we look for to tell us birds visit here?

Who comes to Wild Time?

Children between the ages of 3 and 8 and their families.

Children who want to learn more about their world.

Children just like yours!

Parent Supervision Essential

Remember to bring...
