## NOTES:

1. If the brand you are looking for is **NOT** on this list, then unfortunately it is **not available**.
2. When a brand is cancelled it cannot be re-registered for 5 years, therefore you will not find it in this list or on the **NT Brands Register Search Database**, as it means it is not available.
3. **You must choose 3 brands** to write on your Application form, as surrounding properties are checked to ensure none are similar or previously registered in the same region.
4. Once all documentation is submitted, then your application/s will be processed within 30 days.

## Brands for use on Aboriginal Land Trust

If you are submitting an *Application for Three-letter Brand* or *Request to Change the Run* for use on Aboriginal Land Trust (ALT) then you must first discuss your application with either the Northern Land Council (NLC) or Central Land Council (CLC) and obtain written consent to support the application / request. Please refer to Factsheet - *Brands for Use on Aboriginal Land Trust*

NOTE: You must have written consent / approval from NLC or CLC prior to lodging paperwork with Registrar or Livestock Identification Systems Administrator (LISA) / Brands Clerk. Even if you are leasing or have an agreement. Without the supporting documentation from NLC or CLC your application / request will be returned unprocessed - payment of application will not be accepted.

You should always discuss your requirements with your Regional Livestock Biosecurity Officer, before submitting Application/s.
