Reasons for Decision

NORTHERN TERRITORY PLANNING SCHEME
AMENDMENT No. 481

Amendment 481 constitutes an amendment to clause 1.3 (Exceptions) to exempt the use and development of Lot 7732 Town of Alice Springs for the purpose of a community centre and offices until 29 December 2017.

The amendment will allow the youth outreach centre to proceed while development consent is sought for the continuation of the use in the long term.

I have decided to approve this amendment without public exhibition as the exemption is temporary, and the community will be given an opportunity to comment of the use of the land for a youth outreach centre through the development consent process.
