

# **Report of a decision of a registered adjudicator**

## **Determination No 43.19.01**

*Section 54(1) Construction Contracts (Security of Payments) Act*

On 27 June 2019, Neil Kirkpatrick, an adjudicator registered under the *Construction Contracts (Security of Payments) Act*, determined an application for adjudication (No 43.19.01).

Because the contents of the decision could identify the parties involved, the adjudicator determined that those contents were not be published.

The adjudicator determined that:

- The respondent pay the applicant the amount sought in the application plus interest from the day the amount was due under the payment claim; and
- the parties pay the costs of the determination in equal shares.
