

Coastal Notice to Mariners

Exclusion Zone, Milner Bay, Groote Eylandt

To Coastal Mariners	Location Groote Eylandt
Date 16 April 2024	Ref number NtM 2024 / 007 (T)

Notification

Mariners are advised that due to Cyclone related damage, the main wharf at Milner Bay, Groote Eylandt is closed with an exclusion zone around it.

Coastal Notice to Mariner 006/T is cancelled

Date : 16 April 2024

Time : Ongoing until cancellation of NtM

Location : Milner Bay wharf, Groote Eylandt

Details of Activity: Director Marine Safety has declared Exclusion Zone near the wharf due to probability of debris and unidentified hazards in the area shown in red on the attached chartlet. Four special buoys have been deployed in the positions stated below to mark the zone, yellow in colour, displaying a yellow light with a sequence (Fl. 2s) visible for 1 nm

Position of special markers

- 1) 13° 51'.608S 136° 24'.911E
- 2) 13° 51'.640S 136° 24'.925E
- 3) 13° 51'.680S 136° 24'.946E
- 4) 13° 51'.717S 136° 24'.968E

Mariners in the vicinity of the exclusion zone are advised to navigate the area with extreme caution.

In addition, mariners are advised that the tidal buoy Q (5) Y.20s in position 13° 51'.77S 136° 25'.05E is temporarily removed.

The exclusion zone is applicable to all vessels.

Lights unlit • North Dolphin
 • Ridge Marker Buoy

Exempt vessels Vessels belonging to South 32, NT Water Police, emergency services and those exempted by Director, Marine Safety NT.

Cancelation To be announced

Capt. Anil Chadha
Director, Marine Safety NT
