Privacy statement				
The Department of Mining and Energy (the department) is seeking information from you for the purposes of assessing your application under regulation 80 of the Mineral Titles Regulations 2011. This information will be kept confidential except as required by law. The department is required to keep a register of mineral titles under s121 of the <i>Mineral Titles Act 2010</i> (the Act). The information contained in this register includes the details of all applications for mineral titles, including the name of the grantee, the term of the mineral title and a description of the land the subject of the mineral title. Any person may obtain copies of this information under s121 and s128 of the Act, on payment of the prescribed fee. Section 121 of the Act also provides for the Minister to publish information from this register on the department's website, if it is considered appropriate to do so.
