

Coastal Notice to Mariners

Uncrewed Surface Vessel Operating in the Timor Sea

To	Coastal Mariners	Location	The Boxers' Area
Date of issue	01/09/2026	Ref number	Coastal NtM 2026-022(T)

Notification

Coastal mariners are advised that an Uncrewed Surface Vessel (USV) will be operating in The Boxers area, Timor Sea	
Date and time of activity:	3rd September 2026 to 1 st November 2026 24 hours
Assets/ Vessels involved	Uncrewed Surface Vessel (USV) . REACH REMOTE 2
Description of Activity:	Coastal Navigators are advised that an Uncrewed Surface Vessel (USV) vessel and are advised to exercise caution when navigating the operating area. REACH REMOTE 2 will be active in the Timor Sea in 'The Boxers' area from 3rd September to end of October 2026. This survey is being undertaken as part of a hydrographic survey for the Australian Hydrographic Office (AHO), to assist with charting the area. The attached Pink Chart provides the survey area REACH REMOTE 2 will be operating in. The vessel REACH REMOTE 2, is an uncrewed vessel, which is Australian Flagged, and operated remotely around the clock by a full crew based in Australia. The vessel has a marine radio and can be contacted by any vessel as if it was a conventional vessel. If you contact REACH REMOTE 2 on the radio, you will be speaking directly to the marine crew operating the vessel. The vessel REACH REMOTE 2 is joining the OFFSHORE SURVEYOR in the field.
Location of activity	The operational area is defined in the chart below.
