Exemption from *Motor Vehicles (Standards) Regulations*

Aggregate Spreader Box Width Exemption

I, Paul Nathan Rajan, Registrar of Motor Vehicles, pursuant to section 135 of the *Motor Vehicles Act* exempt a motor vehicle fitted with an aggregate spreader box from the requirements of Rule 66(1) of Schedule 6 of the *Motor Vehicles (Standards) Regulations* subject to the following conditions:

- a) An aggregate spreader box when fitted to the vehicle is not wider than 3.0 metres;
- b) the vehicle to which the aggregate spreader box is fitted, excluding the aggregate spreader box, is not wider than 2.5 metres when measured in accordance with Rule 66(2);
- c) Complying "Oversize" warning signs are required to be fitted to the front and rear of the vehicle, and complying warning flags are required to be fitted on the aggregate spreader box extremities;
- d) the vehicle low-beam headlights must be on when travelling;
- e) travel restrictions apply in accordance with Schedule 1; and
- f) a copy of this exemption must be carried with the driver of the vehicle and must be presented to an authorised officer, when requested.

Schedule 1 - Travel Restrictions

- i. travel permitted via the most direct or safest route between worksite, stock pile, depot, place of maintenance or place of overnight lodging;
- ii. for night travel, the vehicle must display a warning light in accordance with Schedule 2; and
- iii. travel is not permitted during adverse weather conditions.

Schedule 2 - Additional Lighting Requirements

At night, a vehicle fitted with an aggregate spreader box over 2.5 metres in width must display:

1. lights showing yellow or amber to the front and red to the rear (known as 'side markers') fixed to the aggregate spreader box; and
2. two red lights (known as 'rear markers') fixed to the aggregate spreader box within 400mm from each outer side; and
3. a warning light (rotating flashing yellow or amber light) in accordance with the "Permit Guidelines for Oversize and Overmass Vehicles" as published by Northern Territory Government agency responsible for road vehicles.

Reflectors:

Reflectors may be fitted on the aggregate spreader box in lieu of any side marker or rear marker light providing the reflector meets the position, number and colour output as follows:

- one forward facing white reflector on each side;
- one side facing yellow or amber reflector on each side; and
- one red reflector facing the rear on each side so that each reflector is not more than 400mm from the outer side.

Notes:

- a) This exemption applies to an **“Aggregate Spreader box”** that is an implement wider than 2.5 metres but not wider than 3.0 metres fitted to the rear of a vehicle and used in construction, repair or maintenance of roads, to evenly distribute aggregate or a similar material.
- b) This exemption does not apply to a vehicle designed or constructed specifically as an aggregate spreader vehicle.
- c) “Complying” Oversize signs and “Complying” warning flags are described in the “Permit Guidelines for Oversize and Overmass Vehicles” as published by Northern Territory Government agency responsible for the regulation of road vehicles.
