Plant Health Act

Declaration of Quarantine Places for
Control of Banana Freckle

I, Stephen James West, Chief Inspector of Plant Health:

- (a) under section 18(1) of the *Plant Health Act*, declare all land located in an area shaded on a plan in the Schedule and the whole of any parcel of land that is partly located in such a shaded area, to be a quarantine place for the control of the declared pest Banana Freckle *Phyllosticta cavendishii* (the **declared pest**); and
- (b) declare that the quarantine places are declared for the purposes mentioned in section 18(c)(i) to (iv) and (d) of the Act; and
- (c) specify that the following prohibitions apply to each quarantine place mentioned in paragraph (a):
 - (i) the entry into the quarantine place of any declared host plant for the declared pest (a **host plant**) is prohibited;
 - (ii) the movement of any host plant, or material from a host plant, within the quarantine place (other than movement in accordance with a written permit given by the Chief Inspector) is prohibited;
 - (iii) the removal of any host plant, or material from a host plant, from the quarantine place (other than removal in accordance with a written permit given by the Chief Inspector) is prohibited;

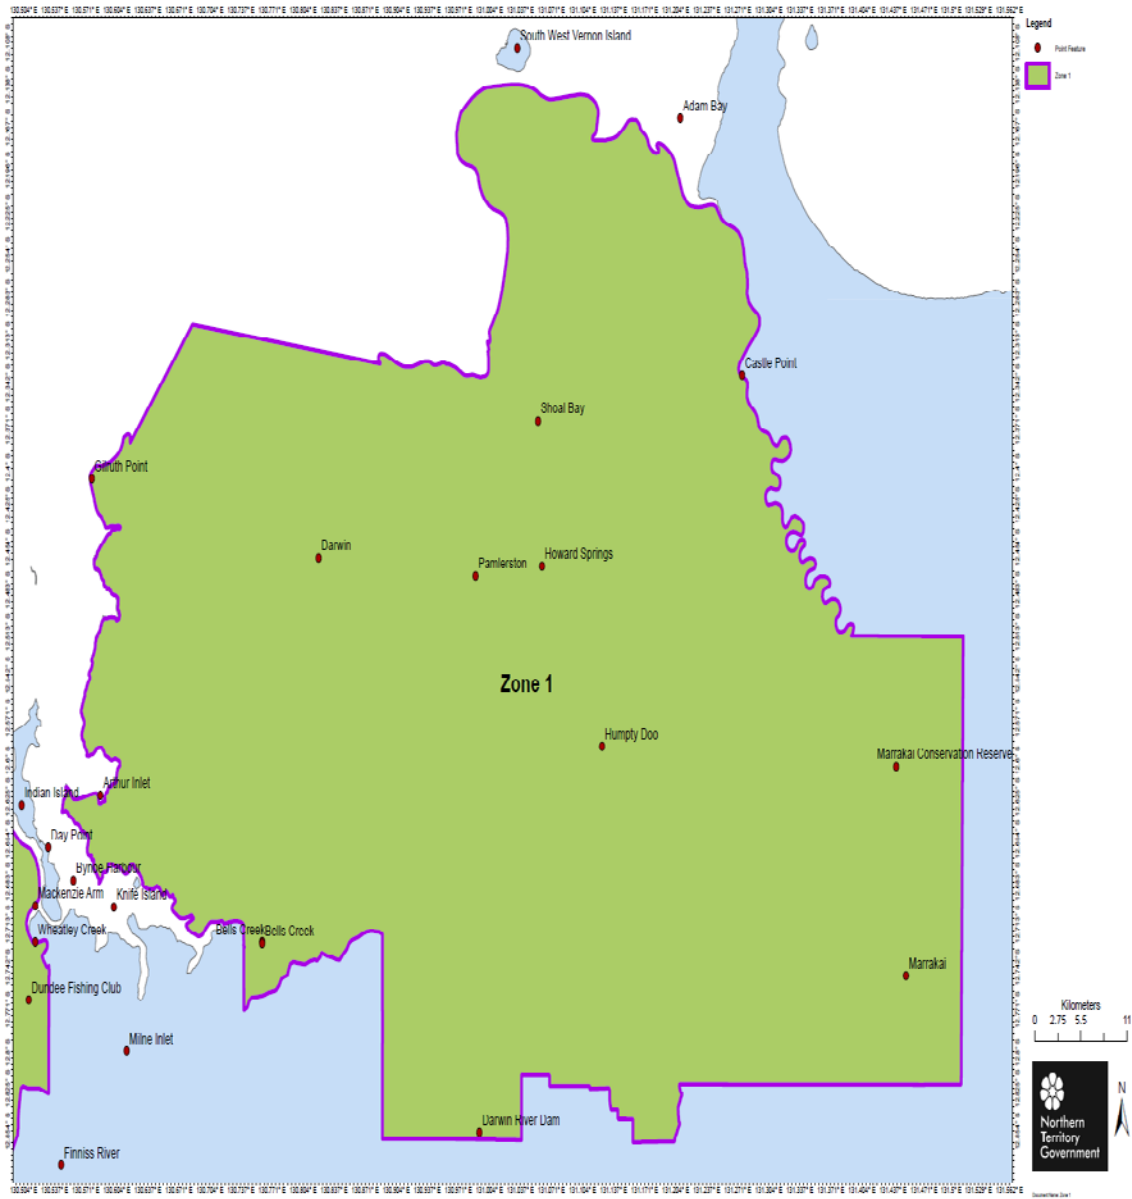

- (iv) the cultivation, propagation and planting of host plants within the quarantine place is prohibited; and
- (d) specify that the reason for the decision to make this declaration is because each quarantine place is affected by the declared pest; and
- (e) specify that a person whose interests are or might be affected by the decision has a right to apply under section 58 of the Act for a reconsideration of the decision.
