Plant Health Act

Control of Citrus Canker Revocation of Declaration and Declaration of Quarantine Place

I, Sarah Kathryn Corcoran, Chief Inspector of Plant Health:

- (a) under section 18(1) of the *Plant Health Act* and with reference to section 43 of the *Interpretation Act*, revoke the declaration of a quarantine place made under the instrument titled "Control of Citrus Canker – Declaration of Quarantine Place" dated 18 May 2018 and published in *Gazette* No. S32 of 21 May 2018; and
- (b) under section 18(1) of the *Plant Health Act*, declare the following areas to be a quarantine place for the control of the declared pest Citrus Canker *Xanthomonas citri* subsp. *citri* (the **declared pest**):
 - (i) all the land located in an area shaded in grey on a plan in Schedule 1 and the whole of any parcel of land that is partly located in such a shaded area (the **restricted area**); and
 - (ii) all the land located in an area shaded in grey on a plan in Schedule 2 and the whole of any parcel of land that is partly located in such a shaded area (the **control area**); and
- (c) declare the quarantine place for the purposes mentioned in section 18(2)(a), (b), (c)(i) to (iv) and (d) of the Act; and

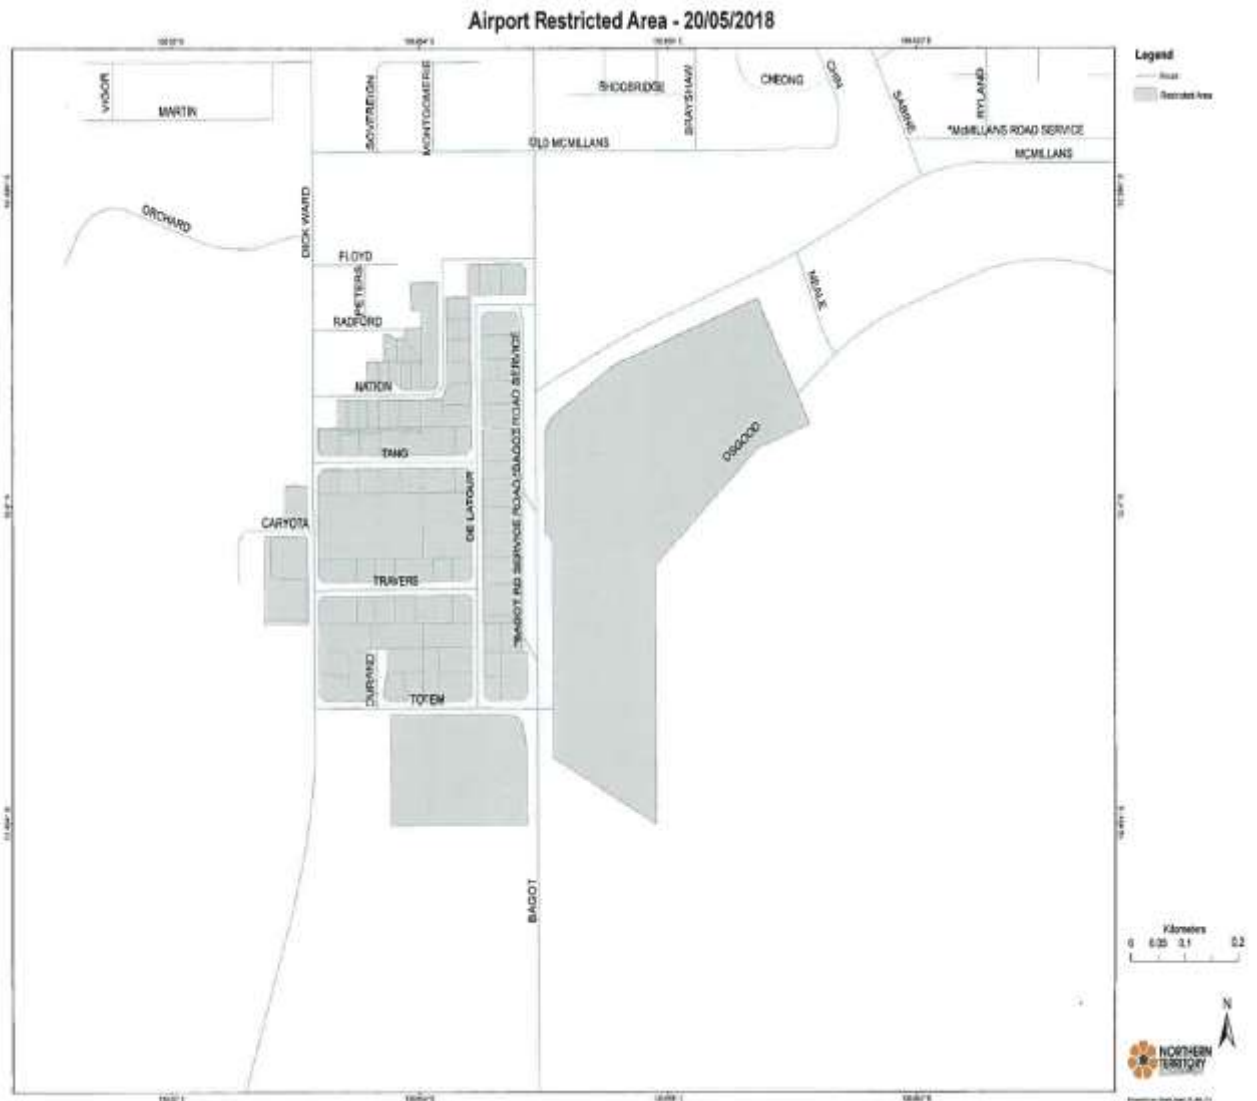

- (d) specify that the following prohibitions apply to the whole of the restricted area:
 - (i) the entry into the restricted area of any host plant for the declared pest (a **host plant**) or plant-related material is prohibited, other than:
 - (A) entry of fruit and juice imported from outside the control area for human consumption (the **imported products**); or
 - (B) entry in accordance with a written permit given by the Chief Inspector;
 - (ii) the movement within the restricted area of any host plant or plant-related material is prohibited, other than:
 - (A) movement of imported products; or
 - (B) movement in accordance with a written permit given by the Chief Inspector;
 - (iii) the removal from the restricted area of any host plant or plant-related material is prohibited, other than:
 - (A) removal of imported products; or
 - (B) removal in accordance with a written permit given by the Chief Inspector;
 - (iv) the cultivation, propagation or planting within the restricted area of any host plant is prohibited, other than cultivation, propagation or planting in accordance with a written permit given by the Chief Inspector; and
- (e) specify that the removal of any host plant or plant-related material from the control area is prohibited, other than:
 - (i) removal of imported products; or
 - (ii) removal in accordance with a written permit given by the Chief Inspector; and

- (f) specify that the reason for the decision to make this declaration is because the quarantine place is affected by the declared pest; and
- (g) specify that a person whose interests are or might be affected by the decision has a right to apply under section 58 of the Act for reconsideration of the decision.

Dated 12 June 2018

S. K. Corcoran
Chief Inspector of Plant Health

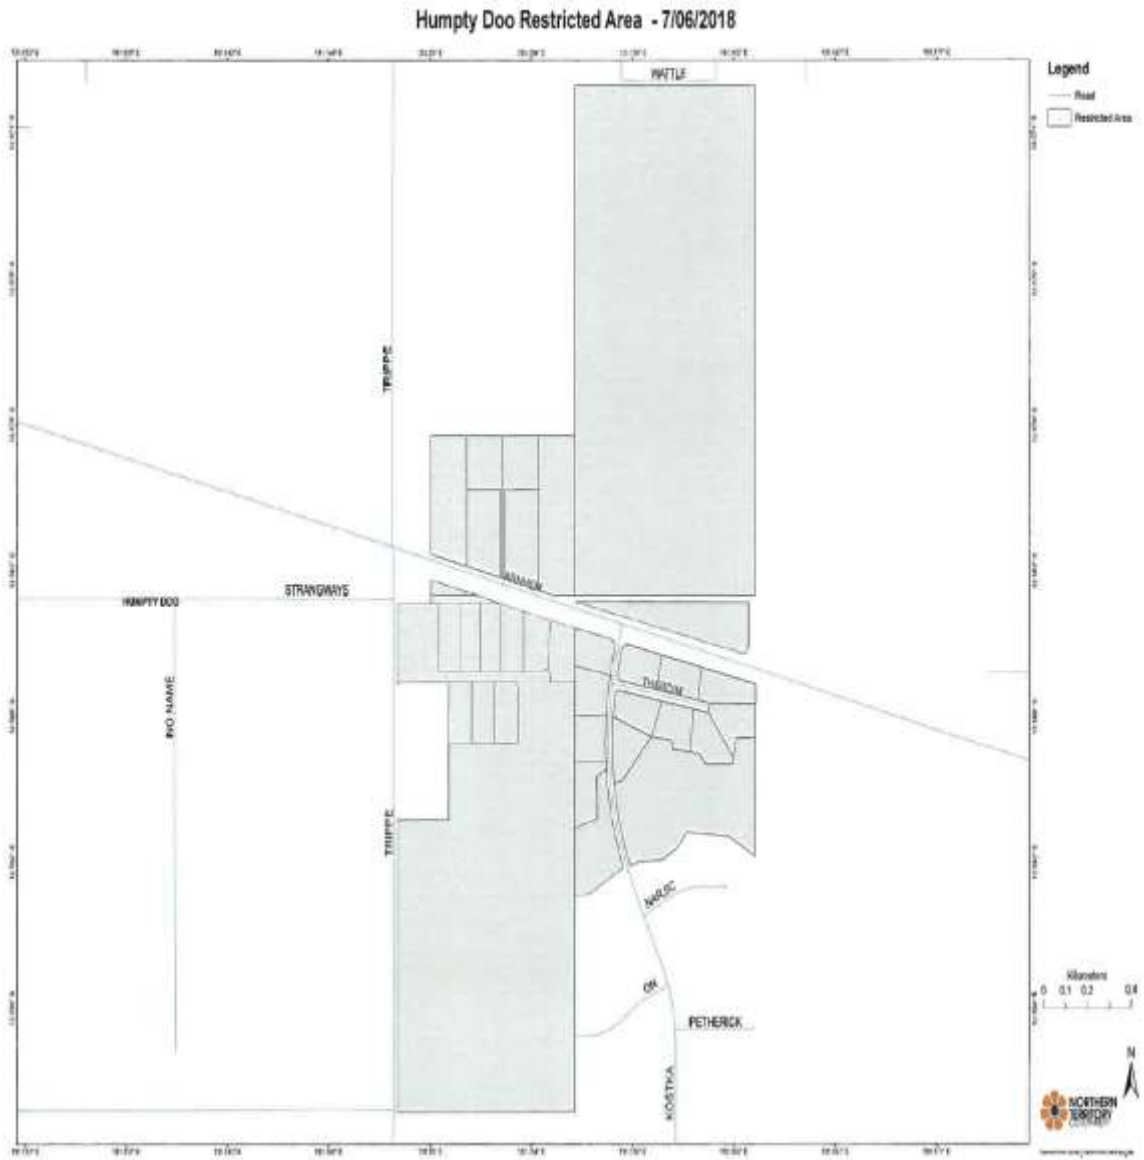

Schedule 1

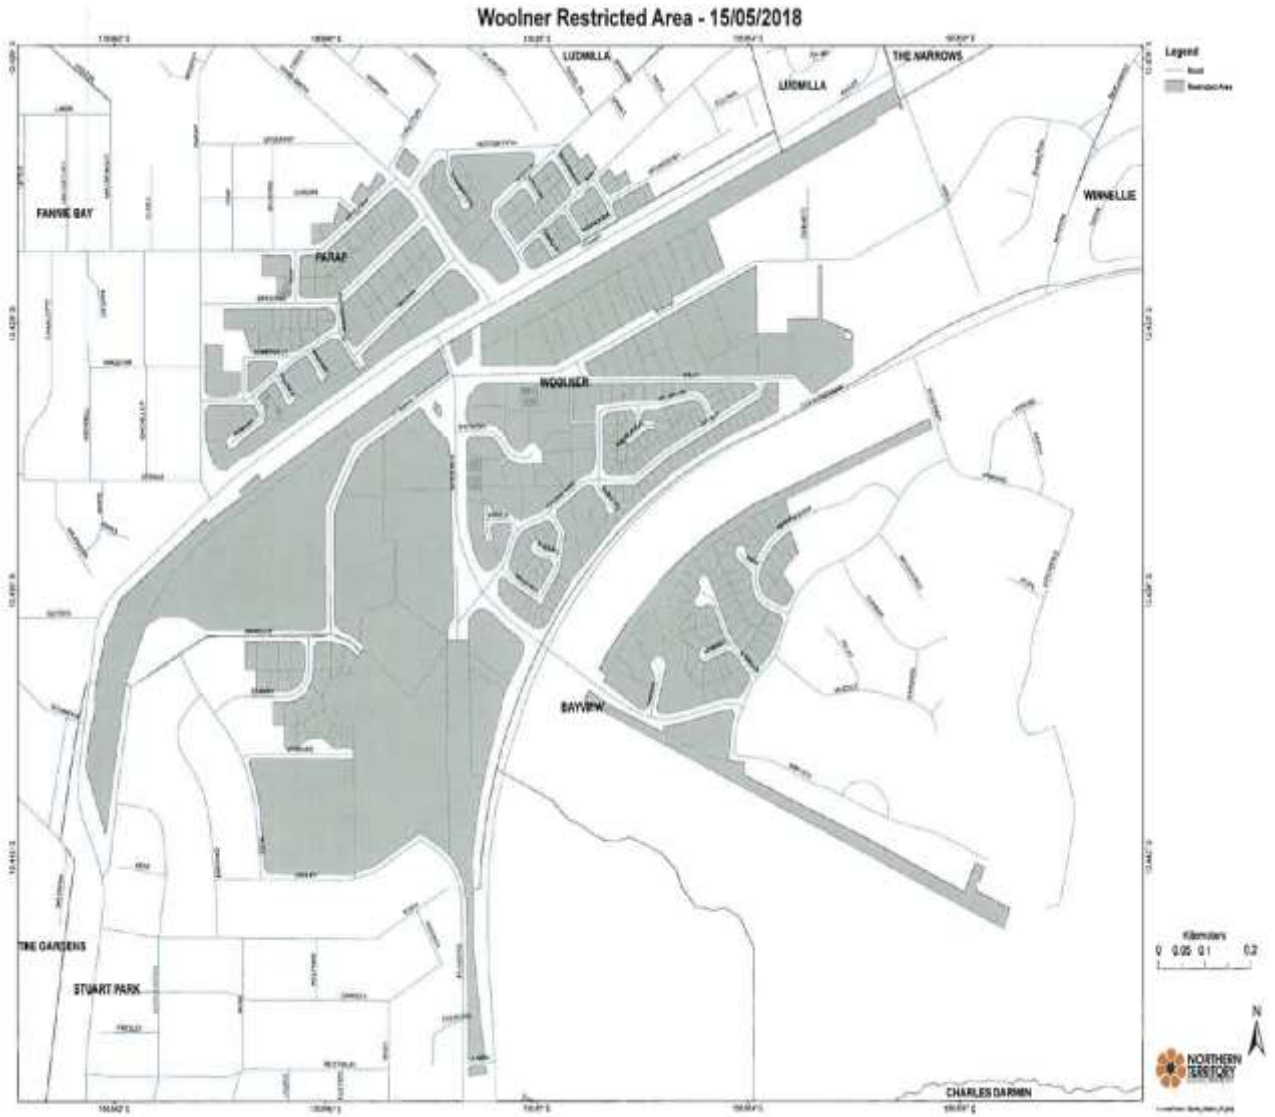

Palmerston Restricted Area - 15/05/2018

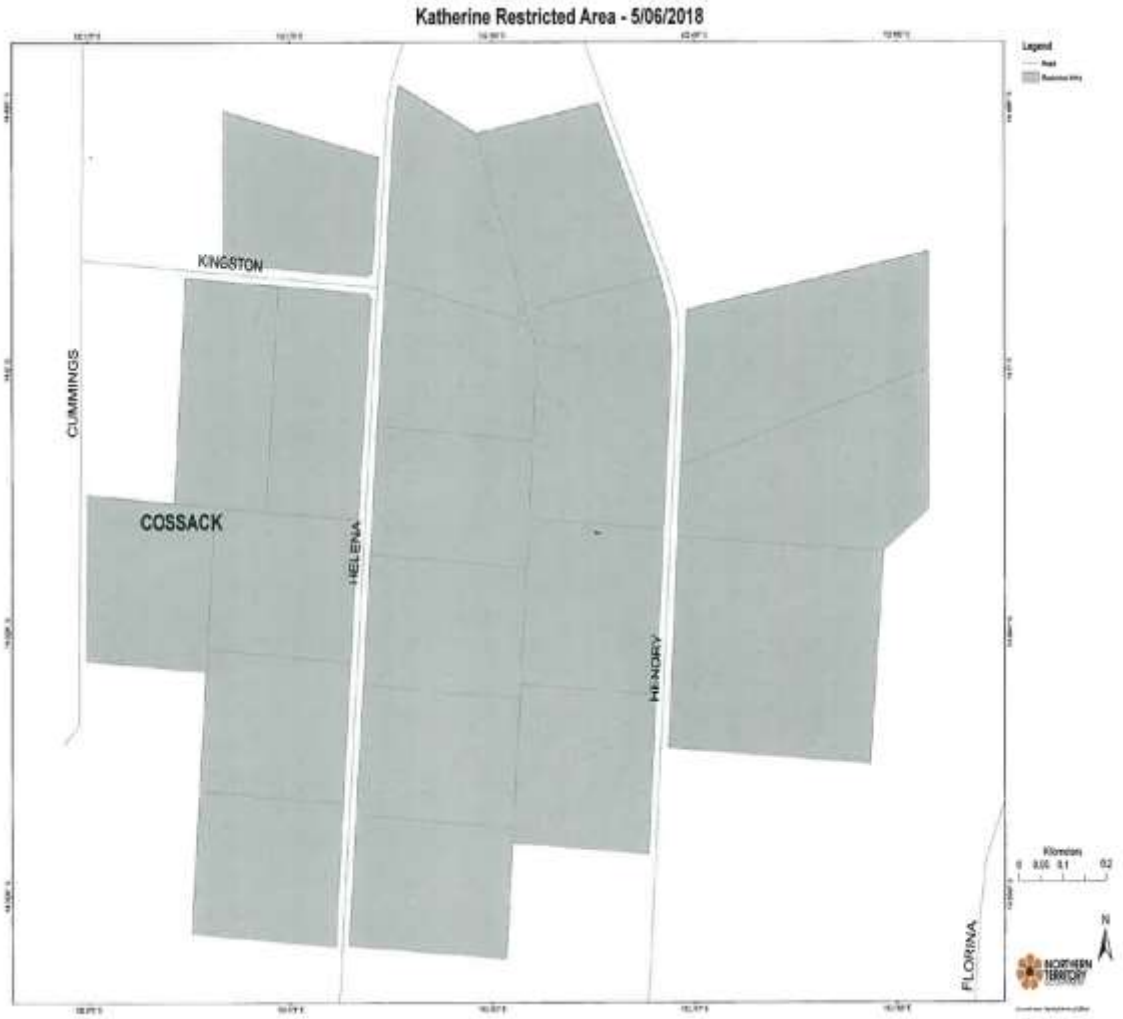

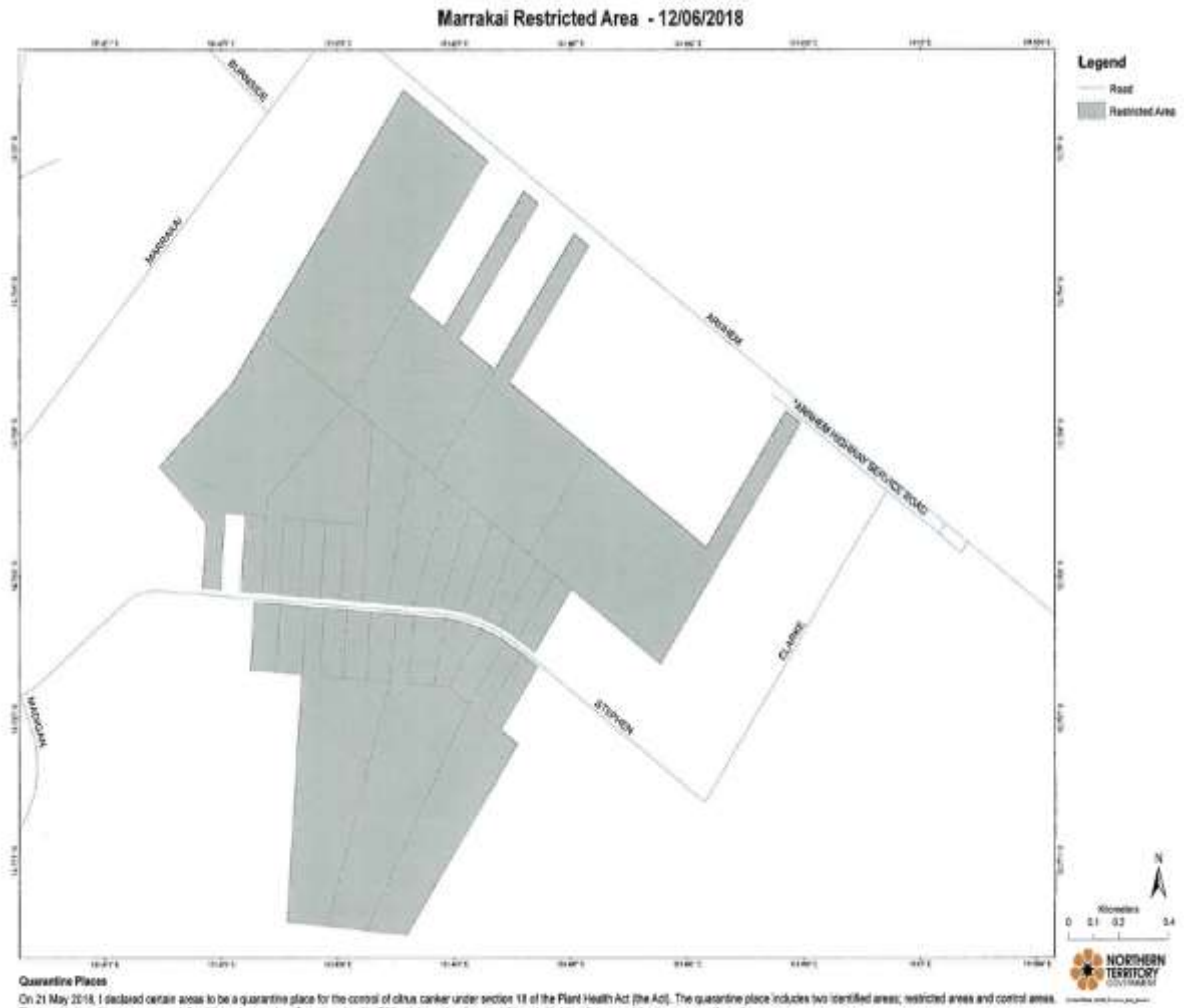

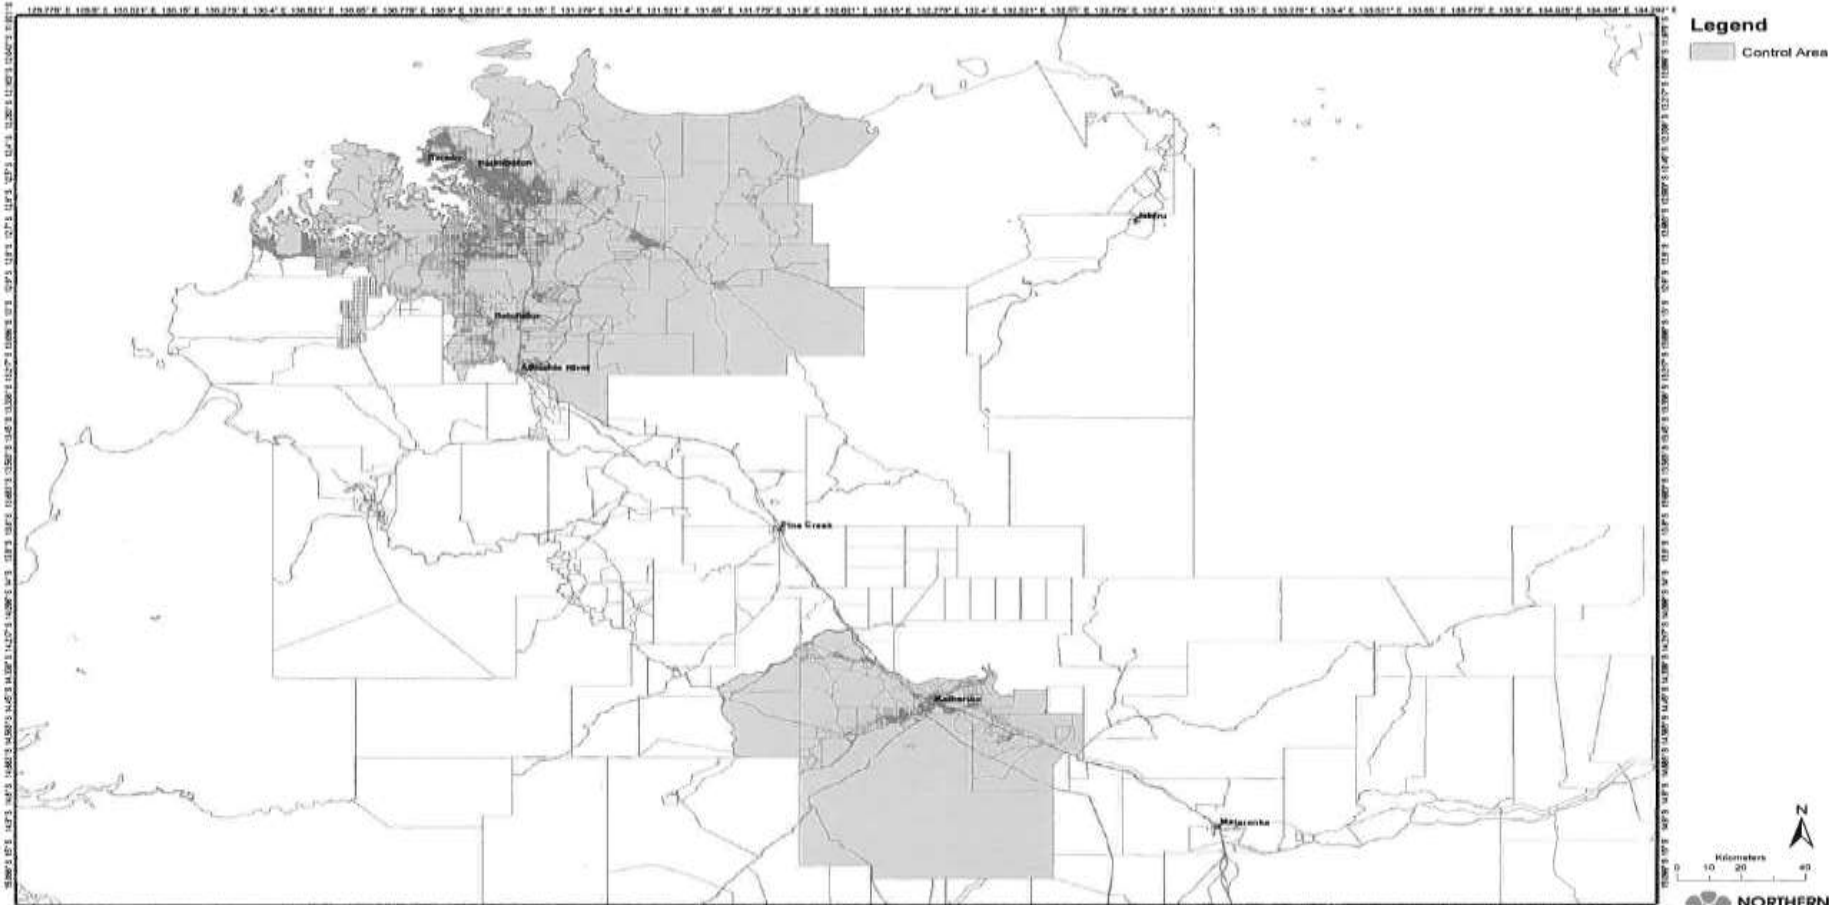

Schedule 2

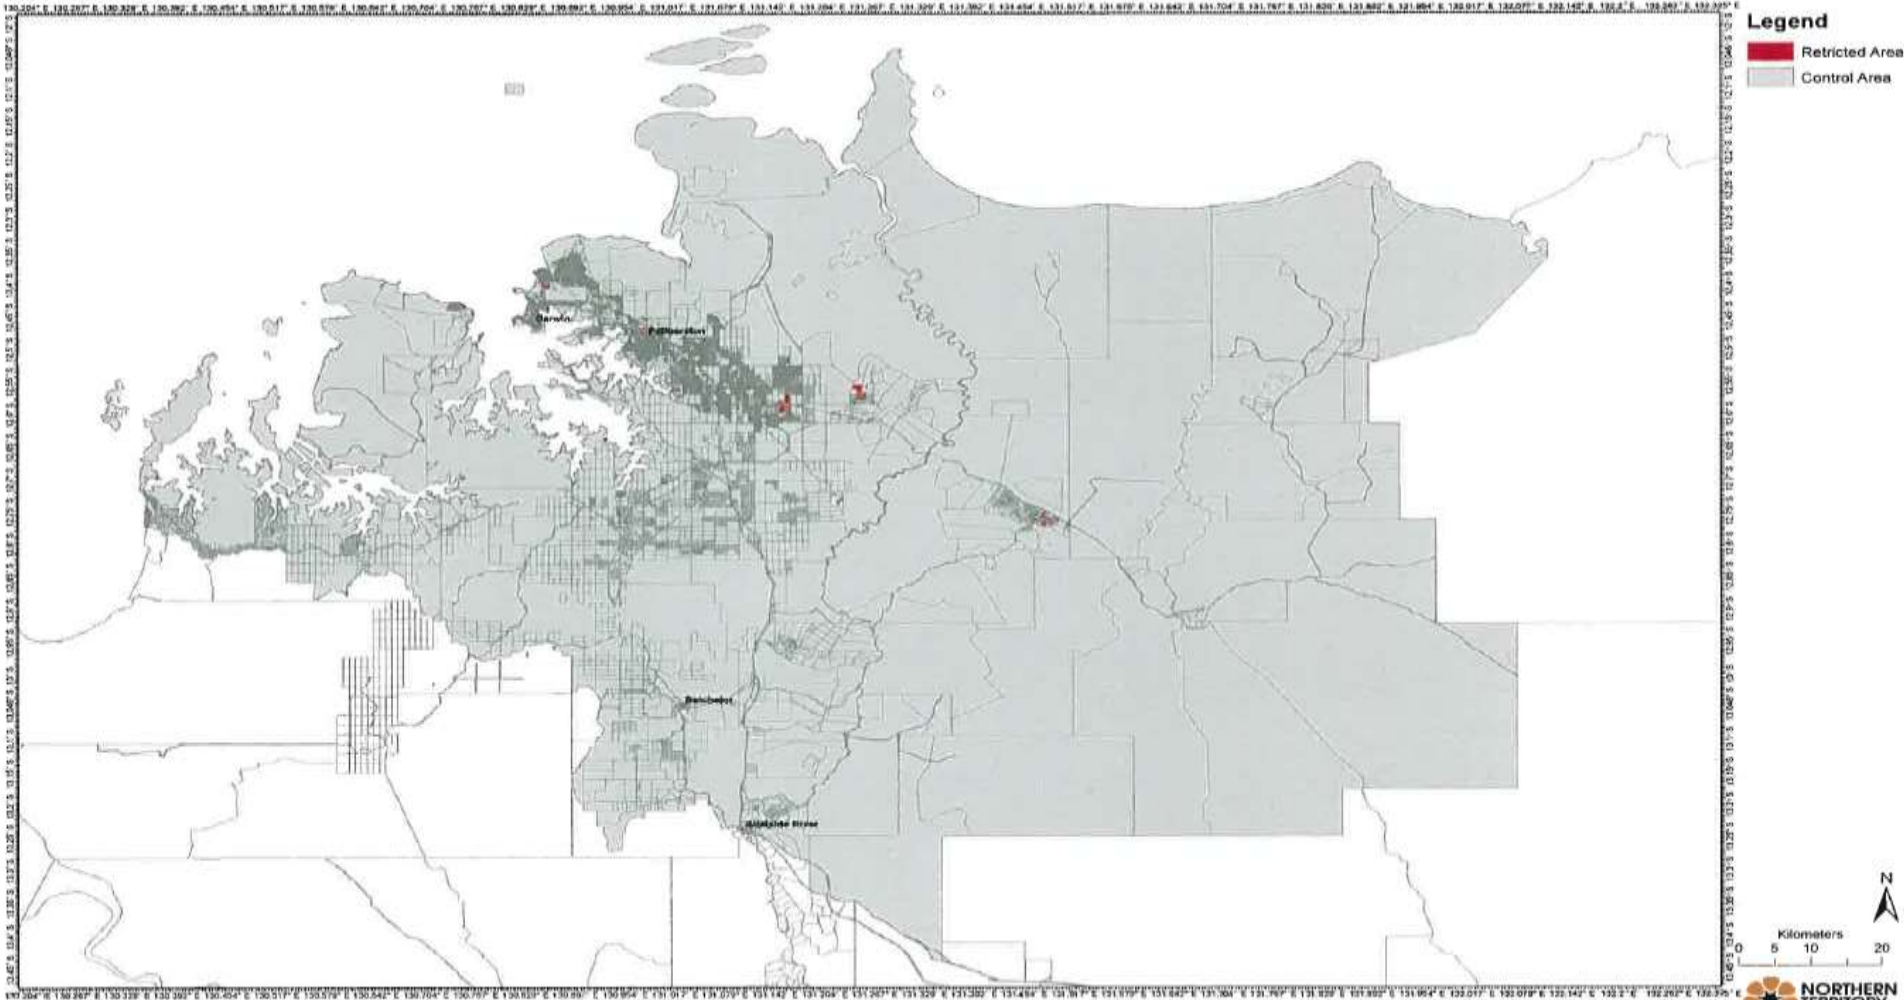

Citrus Canker Control Area - 12/06/2018

Quarantine Places
 On 21 May 2018, I declared certain areas to be a quarantine place for the control of citrus canker under section 18 of the Plant Health Act (the Act). The quarantine place includes two identified areas; restricted areas and control areas. The boundaries of these areas are defined through maps in a Gazette notice No.532 which can be viewed at this website <https://nt.gov.au/about-government/gazettes>

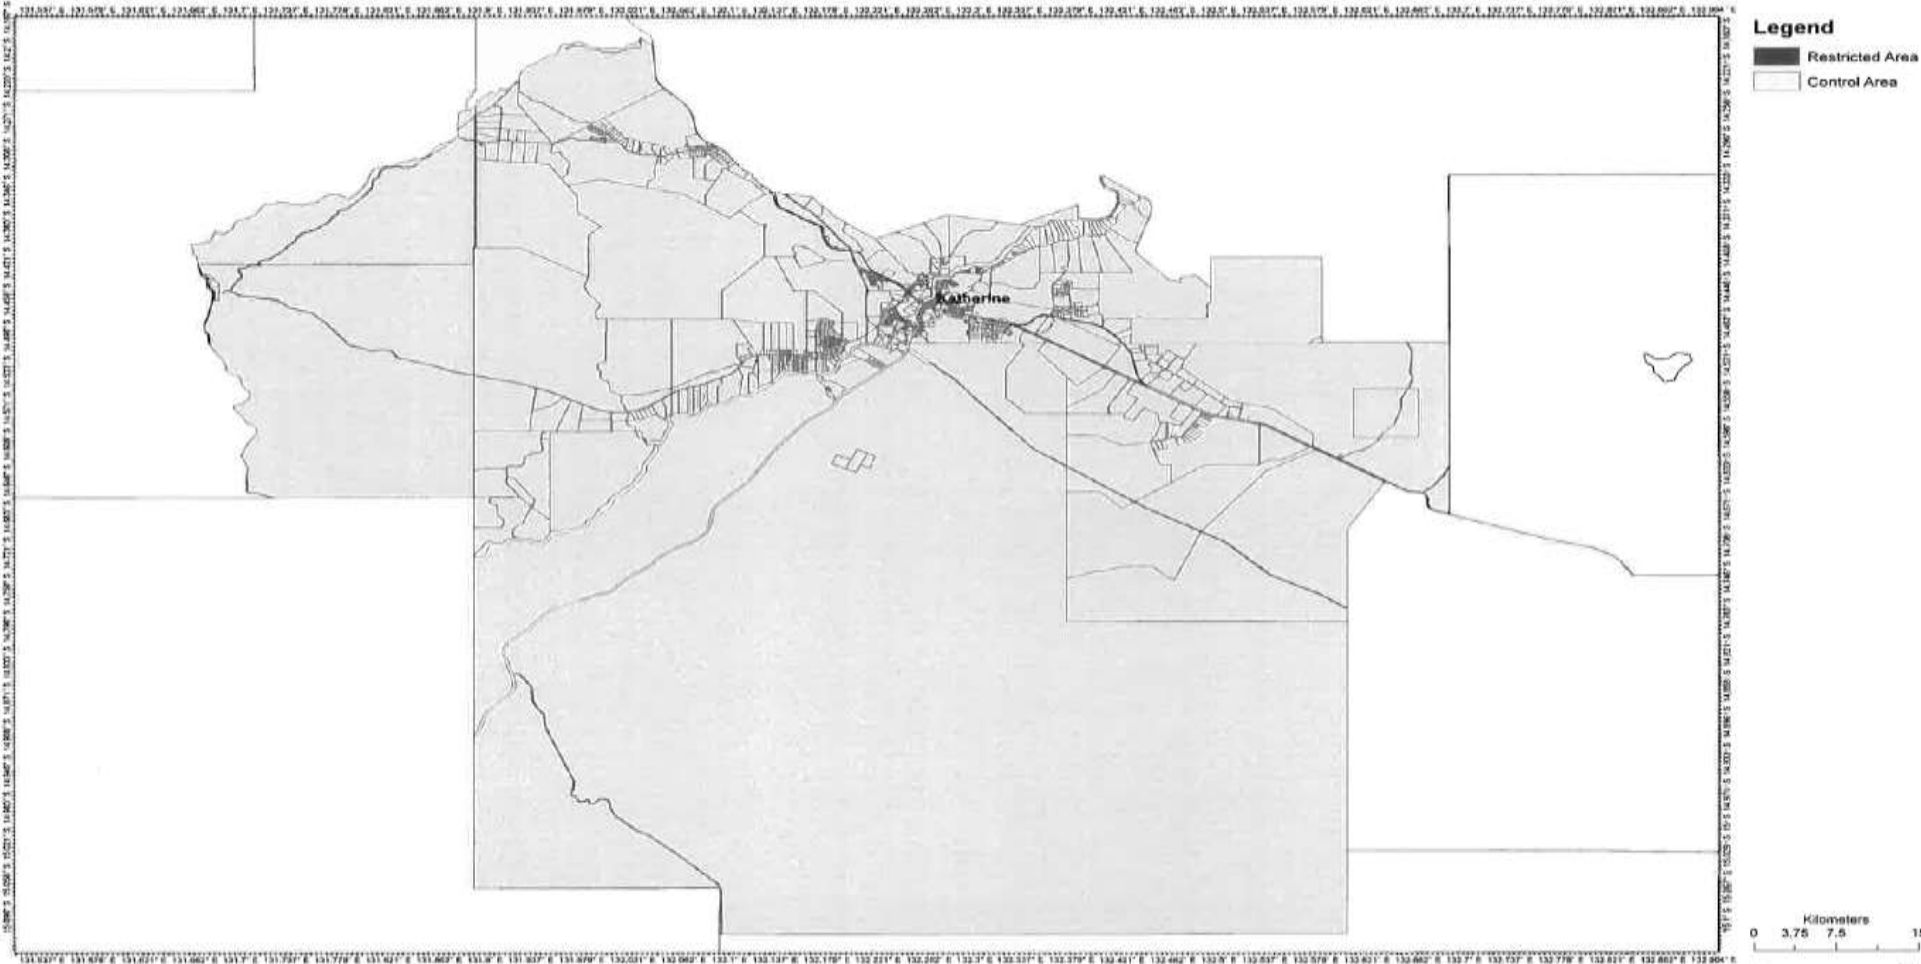

**Citrus Canker Restricted Area and Control Area - 12/06/2018
Darwin and Greater Darwin Rural Area**

Quarantine Places
On 21 May 2018, I declared certain areas to be a quarantine place for the control of citrus canker under section 18 of the Plant Health Act (the Act). The quarantine place includes two identified areas; restricted areas and control areas.

**Citrus Canker Restricted Area and Control Area - 7/06/2018
Katherine Area**
