SCHEDULE

AMENDMENT TO NT PLANNING SCHEME

AMENDMENT No. 522

1. Citation

This amendment to the NT Planning Scheme may be cited as Amendment No. 522.

2. Amendment to subclause 2 of Clause 1.3 (Exceptions)

after

Subclause 2(ac) of clause 1.3

Insert

1.3 EXCEPTIONS

(ad) the use and development of Section 2284 Hundred of Strangways for an education establishment with ancillary accommodation until 25 May 2020.

__________________________
Amendment 522 constitutes an amendment to clause 1.3 "Exceptions" to exempt development of Section 2284 Hundred of Strangways for the purpose of three (3) temporary demountable structures to be used as an education establishment and ancillary accommodation until 25 May 2020.

The amendment will allow the use to proceed and operate for a limited period until the planning processes are complete.

Specifically this amendment can proceed without public exhibition because the exemption is temporary and the community will be provided with an opportunity to comment on the use of the land through the development assessment process.

The amendment is consistent with the draft Coolalinga / Freds Pass Area Plan, which ultimately sees the land being used for residential purposes in the future.
