## **Dismissal decision No 39.18.01**

Section 54(1) *Construction Contracts (Security of Payments) Act*

On 24 February 2018, a decision (No 39.18.01) was made by David Baldry, an adjudicator registered under the *Construction Contracts (Security of Payments) Act*, to dismiss an adjudication application under section 33(1)(a) of the *Construction Contracts (Security of Payments) Act* on the basis that the payment claim did not meet the requirements of the contract and therefore there was no payment dispute.

Because the contents of the decision could identify the parties involved, I have determined that those contents will not be published.
