

Class 'B' research licence application

Hemp Industry Act section 9

Application information:

- A class 'B' research licence authorises the licensee to possess, cultivate, process or supply hemp for scientific research, instruction, analysis or study purposes.
- This licence can allow research using high THC hemp germplasm on the provision it is used as part of a plant breeding program to produce new varieties for low THC hemp or crossbreeding disease resistant high THC hemp plants to produce disease resistant low THC varieties.
- Applicants must demonstrate they have the qualifications, experience and resources to undertake the activity of research.
- In addition to the legislated due diligence provisions, the CEO must also be satisfied that the applicant can demonstrate sufficiently secure facilities, control arrangements, and line of audit before the issue of a class B licence.
- Application fee of \$3,000 for five years as of May 2020 with fees reviewed annually.

Privacy Statement:

The Northern Territory Government will only use the information collected for the purpose for which it was supplied and such information will not be disclosed to any third party unless required by law.

Type of application			
New licence Complete Part A, B, C of form.	Y/N		
Renewal licence Provide Licence number, expiry date and complete Part C of form.	Y/N	Licence number:	Expiry date:
Part A: Applicant details			
Title:	Mr Mrs Ms Miss Dr Other		
Full name:			
Position:			
Photo ID:	Drivers licence Passport Other _____(Specify)		
State/Territory of issue:		Copy attached?	Y/N
Address: Residential		Address: Postal	
Phone/ mobile number:		Email:	
Are you owner of the property where the hemp is to be cultivated? Please provide a completed 'Property owner consent form' with this application.	Y/N		

Business details			
Name of business entity:			
Address: If not same as that of applicant			
ABN:		ACN:	
Associate details			
Role in business e.g. Manager	Full name	Identification type¹	Copy attached? Y/N
Researcher details: (attach resume)			
Full name	Qualifications	Experience	
Part B: Cultivation details			
Physical address: Location of where hemp is to be grown /processed			
Description of security measures at the location under cultivation (attach documents where necessary)			
Type of cultivars to be grown ²			
1	4		
2	5		
3	6		

¹ Types of identification accepted include driver licence, passport, if other please specify

² There is no limit to the amount of different cultivars used. Numbering is for convenience only. If cultivar and supplier not known at time of application please provide via Notification of Cultivation Form FM04 within seven days of sowing

Source of hemp germplasm/seed			
Name of supplier	Supplier address	Supplier Licence number ³	Quantity/ weight (kg) of seed
Consignment notice number from vendor supplying germplasm/seed:			
Evidence of approval under Commonwealth Narcotic Drugs Act 1967 – where material sourced has greater than 1% THC content			Documents attached? Y/N
Evidence of THC levels (a certificate of analysis) of parent crops of cultivars to be used. Note: parent seed crops must test not more than 0.5% THC). Please attach supporting documents.			Number of documents attached:
Part C: Applicant declaration
