Reasons for Decision

NORTHERN TERRITORY PLANNING SCHEME 2020
AMENDMENT No. 104

Pursuant to section 13(3)(b), I have decided to rezone Part Lot 12433 Town of Palmerston from Zone FD (Future Development) to Zone PS (Public Open Space).

I have approved the amendment as I am satisfied that, pursuant to section 13(1), the amendment:

- (a) promotes the purpose and objectives of the Act as it:
 - i. is consistent with the strategic framework for the locality; and
 - ii. intends to satisfy future needs of the community and assists in the provision of public infrastructure and facilities for the benefit of the community;
- (b) it is consistent with the Palmerston Eastern Suburbs Planning Principles and Area Plan; and
- (c) has merit and is in the public interest as:
 - i. it will facilitate the development of the integrated public open space system to address the needs of the community; and
 - ii. it will facilitate the implementation of Zuccoli Aspire (Stage 2D) of the approved masterplan of the Zuccoli Aspire development.

Pursuant to section 13(2)(b) I am satisfied that the amendment is not significant enough to require exhibition as it is a normalisation of the zoning to reflect the intended land uses approved through DP21/0108.
