PLANNING ACT SECTION 29

Reasons for Decision

NT PLANNING SCHEME AMENDMENT No. 79

1. Rezoning of the site to Zone MD (Multiple Dwelling Residential) will facilitate subsequent residential dwelling density, which is not expected to adversely affect the established residential character or future amenity of the area.
2. The physical characteristics of the land are considered suitable to support the range of land uses and development contemplated in the Zone MD (Multiple Dwelling Residential), although in relation to power supply the developer may be required to upgrade services.
3. Existing utility services and infrastructure have the capacity to support future development consistent with that allowed for in the Zone MD (Multiple Dwelling Residential).
