# 6 Interstate and Overseas AIL Licence Holders

Please read this section carefully and tick below if right for you.

So that you can drive legally in the NT, you must obtain a right to drive in the NT while complying with the conditions of your interstate or overseas AlL licence. If you obtain a right to drive be aware that:

- 1. during your right to drive you are still subject to the penalties and consequences that apply to your interstate or overseas AIL licence;
- 2. if your AIL licence is cancelled by the licensing authority that issued it, you will be deemed to be unlicensed and will no longer have a right to drive in the NT; and
- 3. if obtaining a right to drive contravenes the conditions of your AIL licence, you will be deemed to be unlicensed and will no longer have a right to drive in the NT. Before applying for a right to drive you should ask the licensing authority that issued your AIL licence if obtaining a right to drive in the NT will in any way breach the conditions of your AIL licence.

### Apply for a right to drive

**Note**: You must not drive if you have lived continuously in the NT for more than three months and you do not obtain a right to drive. Your right to drive ceases to run during a period of licence suspension under another law, and resumes (or starts) as the case may be immediately after the licence suspension ends. **A person driving unlicensed is liable to a penalty not exceeding 20 penalty units or imprisonment for 12 months or both.** 

## NT Applicants

Please read this section carefully and tick below if right for you.

If you obtain an AIL licence your obligations include:

- 1. only driving a vehicle fitted with an approved AIL (not a commercial passenger vehicle);
- 2. being licensed to drive the vehicle fitted with the AIL and complying with the conditions of that licence;
- 3. not driving if you have a blood alcohol content equal to or exceeding 0.02% (or if your blood contains any alcohol and you have a zero alcohol limit under another law);
- 4. complying with conditions of use and servicing of the AIL;
- 5. not interfering or letting another person interfere with the proper operation of the AIL; and
- 6. permitting the Police to inspect the AIL on the spot.

Note: An AIL licence ceases to run during a period of licence suspension under another law, and resumes (or starts) as the case may be immediately after the licence suspension ends. An AIL licence holder driving a vehicle not fitted with an AIL, or knowingly driving when the AIL is not functioning properly is liable to imprisonment for 12 months; an AIL licence holder contravening AIL licence conditions is liable to a penalty not exceeding 20 penalty units; additionally, the AIL licence can be immediately suspended.

8	Alcohol Ignition Lock Subsidy – NT Applicants only							
	Do you hold a current Commonwealth (Centrelink) Health Care Card or an income statement from Centrelink clearly demonstrating that you recieve the maximum rate of pension?							
	es No You are not eligible to obtain the AIL subsidy							
	Health Care Card Number		Expiry Date					
			1	1				
	Is the vehicle the AIL will be fitted to currently registered?							
	Yes No You are not eligible to obtain the AIL subsidy							
	Registration Number		Expiry Date		_			
			1	/				

Note: If vehicle registration or Health Care card or income statement expires you may not be eligible to receive the AIL subsidy.

#### **Privacy Statement**

The Registrar of Motor Vehicles is required to collect information under section 92 of the *NT Motor Vehicles Act*. The Registrar adheres to the Department's Privacy Statement and the *Information Act*. Further information on privacy can be found at nt.gov.au

#### <u>Important Information</u>
