

Application for a variation of a registration to use premises for teaching or research involving animals

Animal Protection Act 2018, section 46

Teaching or research' means teaching or research involving the use or breeding of animals.

Research means an experiment, procedure, test or study in which an animal is used and includes subjecting an animal to surgical, medical, psychological, biological, chemical or physical treatment.

Complete this form to apply for a variation of a registration to use the premises described below for teaching or research involving animals. An application fee of \$50.00 (GST exempt) must be paid when the application is lodged. The application will be processed on receipt of the application fee. The fee is a processing fee only and is non-refundable should the application be unsuccessful.
