SUPPORTING EVIDENCE

You will need to send evidence with this application to prove you are the rightful owner. You must send **certified copies** of documents unless original documents are requested.

You will need to provide:

1. Proof of Identity

A certified copy of one of the following: a drivers licence, passport or birth certificate of the owner.

– Where the owners name has changed from the name shown on TRO's records, attach a certified copy of the documentation evidencing change of name (eg. marriage certificate, deed poll papers).

2. Proof of a connection to the last known address held by TRO

This can be a certified copy of a council rates notice, an electricity or gas invoice, or correspondence with the company or superannuation provider that forwarded the unclaimed money to TRO.

3. Proof of a link to the company or superannuation provider that forwarded the unclaimed money

Certified copy of correspondence from the company or superannuation provider, statements, share or premium certificates. If evidence of a connection to the company or superannuation provider (other than the Northern Territory Superannuation Office) cannot be provided, a formal letter from the company or superannuation provider certifying the claimant is the rightful owner.

4. Proof of Taxfile Number (for unclaimed superannuation benefits only)

A certified copy of a tax assessment or TFN notification advice from ATO is required. You are not obliged to provide your TFN but if it isn't provided, in accordance with an ATO ruling, tax may be required to be withheld from your payment at the top marginal rate.

Depending on the circumstances of your claim additional supporting evidence may be required as follows:

5. Claim lodged for money held in the name of a deceased estate

The claim form may be completed by the Executor or Administrator of the estate, but proof of their appointment must be provided.

6. Claim lodged by an individual for money held in a company name

An original letter of authority with the company seal affixed. The letter must state the person's position within the organisation - eg Secretary, Business Proprietor, etc.

PAYMENT

Payment options are listed in PART E of the application.

Claimants for unclaimed superannuation benefits may elect to transfer the funds into a rollover fund by completing the relevant details about the rollover fund in Part E.

If a claimant for unclaimed superannuation elects to receive payment directly (that is, by cheque or direct deposit), TRO may be required to withhold tax at the relevant tax rate.

Tax withholdings do not apply where the superannuation amount is transferred to a rollover fund.
