1. Citation

This amendment to the NT Planning Scheme may be cited as Amendment No. 492.

2. Definition

In this amendment –

"amending map" means the map, signed by the Minister for Infrastructure, Planning and Logistics and marked "NT Planning Scheme Amendment No. 492", deposited in the office of the Department of Infrastructure, Planning and Logistics, Darwin;

"zoning map" means the zoning map within the meaning of the NT Planning Scheme.
3. Amendment of Zoning Map

The NT Planning Scheme is amended by amending the zoning map relating to Palmerston to the extent of its inconsistency with the amending map in respect of the area of land shown on the amending map bounded by a thick black line and lettered SD and MD which is Part Lot 12448 Town of Palmerston
NORTHERN TERRITORY OF AUSTRALIA

Planning Act
Section 29

Reasons for Decision

NORTHERN TERRITORY PLANNING SCHEME
AMENDMENT No. 492

Part Lot 12448 Town of Palmerston (Radford Road, Zuccoli) is suitable for rezoning from Zone FD (Future Development) to Zone SD (Single Dwelling Residential) and Zone MD (Medium Density Residential).

Specifically, this rezoning is suitable because:

- the site is currently within Zone FD (Future Development), which is an interim zone allowing development and subdivision to occur, with consent prior to the allocation of standard zones; and
- this rezoning will enable land titles to be finalised and development to continue.

I decided not to exhibit this proposal because the zoning plan was exhibited for public comment with the subdivision plans that were approved for the site in February 2017. No public submissions were received on the subdivision plan.
