Any sub-contract shall be in writing and contain the provision that progress payments to the sub-contractor shall be made within fourteen (14) days after the Contractor has received payment from the Principal.

Any approval by the Principal to engage a sub-contractor for any part of the supply of the Goods shall not relieve the Contractor from any of its liabilities under the Contract. The Contractor shall be fully liable to the Principal for the work of the sub-contractor or any employee or agent of the sub-contractor.

24. Disputes

Each party must follow the procedures in this clause 24 before starting court proceedings, other than for interlocutory relief.

Any party to this Contract who wishes to claim that a dispute has arisen must give written notice to the other party setting out details of the dispute.

Within five (5) Business Days of the provision of the written notice, a nominated representative of each of the parties must meet to take whatever actions or investigations as each deems appropriate, in order to seek to resolve the dispute.

If the dispute is not resolved within five (5) Business Days of the parties meeting (or within such further period as the parties agree is appropriate) then one or both parties may nominate a mediator to determine the dispute.

25. Joint and Several Liability

Where the Contractor consists of two or more persons, this Contract shall bind them jointly and severally. In particular, any agreement, representation, warranty or indemnity by one or more persons constituting the Contractor binds all the persons constituting the Contractor jointly and severally and any agreement, representation, warranty or indemnity in favour of one or more persons constituting the Contractor is for the benefit of all the persons constituting the Contractor jointly and severally.
