

# Walking Around

Jaina is going swimming. Plan a route from where she is now, on City Road, to the Swimming Pool so that she can get there by the safest route. The wider the road on the map, the busier and more dangerous to cross it is.

Mark is going shopping. Plan a route from where he is now, on Greenhill Road, to the Shopping Centre so that he can get there by the safest route.

Jaina says:

“Why not work out the safest route from your home to school?”
