Edition Number: 27- 14/5/1999

NEW DESIGNATED FLOOD LEVEL KATHERINE

This notice is to advise of that on 12 May 1999 the NT Government declared a new designated flood level for Katherine.

Attached is a Brochure titled "Are You Planning to Build in Katherine?" which details the control measures and features a flood map.

It should be noted that all development within the area subject to inundation in the designated flood (see brochure) requires Northern Territory Planning Authority approval.

The new levels are effective immediately for the purposes of *NT Building Act Regulation 39* Requirements in Flood Prone Areas and apply to all new buildings and new extensions to buildings.

More detailed mapping and information is available from:
