Applications

Applications for a petroleum exploration permit in relation to the above release area must be accompanied by:

(a) Details of:

- I. The applicant's technical assessment of the petroleum potential of the area, including the concepts underlying its proposed exploration program, with sufficient detail to support that program.
- II. The applicant's minimum guaranteed proposal (including indicative defensible minimum expenditure) for exploration wells to be drilled, 3D and 2D seismic and other surveying activities, data evaluation and other work, for each year of the first two years of the permit term. This proposal, to be known as the minimum guaranteed work program should comprise work expected to involve a substantial exploration component – normally, appraisal work should not be included.
- III. The applicant's proposal (including indicative minimum defensible expenditure) for exploration wells to be drilled, 3D and 2D seismic and other surveying activities, data evaluation and other work, for each of the three remaining years of the permit term. This proposal, to be known as the secondary work program, should comprise work expected to involve a substantial exploration component – normally, appraisal work should not be included.

(b) Particulars of:

- I. The technical qualifications of the applicant and of its key employees.
- II. The technical advice available to the applicant.
- III. The financial resources available to the applicant, including evidence of the applicant's ability to fund the work program proposed, a statement of other exploration commitments over the next five years, and a copy of the latest annual report and quarterly reports for each applicant company.
- IV. Where relevant, the viability of the consortium lodging the application, including evidence that a satisfactory settlement has been or can be, reached on the joint Operation Agreement (e.g. a copy of a signed Heads of Agreement Dealing or similar).
- V. The percentage participation interest of each party to the application.

(c) Such other information as the applicant wishes to be taken into account in consideration of the application.

Fee

At the time of lodgement each application must include an Australian bank cheque or electronic funds transfer. The fee is prescribed by the *Petroleum Act* and as at 1 July 2015 is **\$5,280.00** which is GST free. This amount should be checked prior to lodging an application.

If paying by cheque please make payable to the 'Receiver of Territory Monies'.
