Inspector declaration ^			
As an inspector of livestock under the <i>Northern Territory Livestock Act (2008)</i> , I issue this certificate in accordance with Division 1A (69B) of the Livestock Regulations, in relation to the above NT properties.			
After reviewing available department records, pursuant to the notification requirements under the <i>Livestock Act (2008)</i> , I am not aware of any reports or notifications in relation to the following diseases:			
Disease	Time period	Status	
Infection with <i>Brucella abortus</i>	18 months	Free from the disease	
Infection with <i>Mycobacterium tuberculosis</i>			
Paratuberculosis (Johne's disease)	5 years	Free from the disease	
Haemorrhagic septicaemia (Infection with <i>Pasteurella multocida</i> serotypes 6:b and 6:e)	3 years	Free from clinical signs or abattoir evidence of the disease	
Infection with alcelaphine herpesvirus-1 (malignant catarrhal fever, wildebeest-associated)			
Infection with bovine virus diarrhoea virus (type 2)			
Infection with bovine leukaemia virus (enzootic bovine leucosis)			
Bluetongue (clinical disease)	12 months	Free from the disease	
Infection with <i>Mycoplasma mycoides</i> subsp. <i>mycoides</i> (contagious bovine pleuropneumonia)			
Infection with foot and mouth disease virus			
Infection with rinderpest virus			
Infection with <i>Bacillus anthracis</i> (Anthrax)			
Infection with <i>Anaplasma marginale</i> (bovine anaplasmosis) in tick free areas			
Infection with <i>Babesia bovis</i> , <i>B. bigemina</i> or <i>B. divergens</i> (bovine babesiosis) in tick free areas			
Infection with <i>Trypanosoma evansi</i> (Surra)			
There have been no reported cases of lumpy skin disease in the farm of origin in the past twelve (12) months prior to export	12 months	No reported cases	
Infection with Hendra virus	6 months	Free from the disease	
Theileriosis	6 months	Free from known outbreaks or clinical signs	
I confirm that the properties listed above are under government veterinary surveillance and currently free from notifiable diseases, and that cattle/buffalo from these properties are free to move within Australia.
