

Report of a decision of a registered adjudicator

Dismissal decision No 39.18.05

Section 54(1) *Construction Contracts (Security of Payments) Act*

On 9 May 2018, a determination (No 39.18.05) was made by David Baldry, an adjudicator registered under the *Construction Contracts (Security of Payments) Act*.

Because the contents of the decision could identify the parties involved, I have determined that those contents will not be published.

The amount determined as being payable to the applicant represented approximately 50% of the amount claimed in the application.
