## LETTERS AND WORDS

0 - 4  
Years

Learning activity

### WHAT YOU WILL NEED:

Items from around the house that have labels or writing on them.

### What to do:

1. Look at letters and words on packaging and signs around the house.
2. Find familiar letters (e.g. first letter of your name).

### What learning is happening:

- Looking at and talking about letters and words supports children to understand that writing carries a message that can be read.
- Looking for letters (especially letters that have personal meaning) supports children to begin to understand that each letter looks different and has a name.
