***Planning Act 1999***  
**Section 29**

**Reasons for Decision**

**NORTHERN TERRITORY PLANNING SCHEME 2020**  
**AMENDMENT No. 3**

I have made administrative alterations to the strategic land use plans and policies contained within the NT Planning Scheme 2020 to align the terminology with that within the new scheme.

The amendment demonstrates the following merits and is considered to be in the public interest as it:

- provides consistency of terminology in the strategic land use documents with that used in the NT Planning Scheme 2020; and
- introduces version control to each strategic land use document to aid in their interpretation and application.

I have made the amendment without exhibition as the changes are administrative in nature, and do not alter the content or intent of the strategic land use documents.
