

Plant Health and Water Laboratories Relocation

We are moving!

From the 21st of October, all sample submissions, courier deliveries and enquiries related to water testing, plant pathology and entomology, can be made at the Combined Science Services Sample Reception, located off Bleezer Avenue (in the big green building). This is marked by the green star on the map below. 

Can't find us? Please call 08 8999 2347 or 0401 115 803 for direction.
